MILAM COUNTY TAX RATE SET AT 75c

1950 ASSESSMENT ROLL MAY SHOW AN INCREASE

The county tax rate on the 1950 roll was set here Monday by Commissioner's Court at 75c on the $100 valuation.

It was understood that the assessment roll for 1950 would show an increase but the figure would not be available for several days it was reported at the office of Tax Assessor.

Judge Dan Tyson said the tax rate has not been increased over the 1949 figure. This will be good news for property owners. Since an ad valorem tax is no longer collected for state purposes and oil, and utility interests are paying the state bill, to a large extent, local property owners are not overly concerned about state taxes.

Under a recent amendment, Commissioner's Courts may levy for local purposes the amount of the state ad valorem tax, once in effect, but since such procedure is optional, the courts generally have paid no attention to local needs that might be remedied by increased taxes.

ALDERMEN TO WRESTLE WITH ELECTRIC CODE

(From the Daily)

Cameron's rickety government may get another test in the near future on a new electrical code.

Faced with critical need of an ordinance that will permit a more reasonable enforcement and better protection, the City Council was due to convene in extra session Tuesday night to consider what may be done to remedy the bad situation the government is now facing.

The council is apt to pass some sort of ordinance regulating electric wiring but it could never come to the point of enforcing such a code, because, to do so, would cause some of the largest property owners to pay out a few dollars.

That a major portion of the business district is caught up in the grip of terrible fire hazards, everyone knows. Old buildings and old wiirngs have not been properly inspected nor corrected in modern times.

It is assumed that modern construction is more or less meeting specifications but in the main the town is wired with lamp cord and thread spools. Original wiring may have been standard but the years have worn away insulation and increased fire hazards.

The enactment of an electrical code for modern requirements is an expenive piece of legislation but if the parking meters continue to bring in more money, a special assistant could be retained.

Matter of a new electric code has been pending for a long time but the council with an eye on the election box, have heldx off going modern. They have too many ordinances now that are never enforced.

Remember the Rat proofing ordinance?

Two Young Men Are Given Suspended Terms For Burglary

Andy Reed, 24, and Robert Eugene Foster, 20, of Hanover won pleas for a suspended sentence before Judge W. A. Morrison in District Court here Monday.

The young men, committing their first offense, entered a plea of guilty through their attorney Bill Wallace who produced witnesses who testified as to their character. Judge Morrison then imposed a sentence of three years in the penitentiary but suspended the sentence.

The young men were charged with burglary. They entered the Oscar Mabe Service Station in Gause last March.

Judge Gunn who represented the State said the young men were partly intoxicated at the time of the burglary.

Some of these radio announcers should change their line and frankly say: "Due to conditions beyond our control, we present the program originally scheduled for this time."

PINK BOLL WORMS ARE FOUND HERE

LABORATORY DEMANDS ARE SLATED

TELEPHONE CABLES HERE DAMAGED BY WINDS

High winds around 5:30 P. M. Sunday took a heavy toll in Cameron, but so far as known, no homes were destroyed.

Southwestern Bell Telephone Company reported three of its lines out of commission and workmen were called into service immediately to repair the cables

L. W. Smith at the Cameron Water Department said that 1.26 inches of rain fell here and that a number of trees were blown down in the city.

At least 75 telephones were out of order early Monday morning. The telephone company reported that 3 lines were affected, one in the Green addition, one on W. Main and another in South Cameron. The cable on West Main has been out of order during storm intervals for some years.

Heavy damage resulted on farms in the western portion of the County where heavy rains during recent weeks have retarded the cotton harvest.

Cameron streets were littered with broken tree limbs and some business houses and plants reported electrical trouble but nothing of consequence.

The weather forecast for Cameron area and East Texas was continued cloudy and rain with cooler atmosphere as the result of a front that pushed into the Panhandle country early Sunday.

Vacancy on Faculty Negro School Here

A vacancy on the faculty at the O. J. Thomas School has caused Superintendent W. T. Haines to make an appeal for applications from negro teachers here.

Mr. Hanes said that applications will be considered at the meeting of the school board tonight at 7:30. It was understood that there are a number of negro teachers in Cameron who may be qualified for this place and said he is anxious to have applications for this place.

The vacancy occured recently when a member of the faculty resigned.

RESERVE TICKETS COST MORE AFTER TUESDAY

Reserved seat football tickets will remain on sale through Tuesday, September 19th, it was announced here by Superintendent W. T. Hanes.

These tickets are available at $4.50 each and are good for all home games.

Football fans still have an opportunity to save on these tickets and in order that all may have an opportunity to secure the reserved seat Tickets at this low price, they will remain on sale at Cheeves Brothers store through next Tuesday. After that date, new tickets will be printed covering all unsold seats and they will be available at the gate at each game at $1.00 for each ticket.

Mr. Hanes points out that these tickets to be sold at the gate are for reserved seats but the fan will have to pay more if he attends all five home games. Of the reserved season tickets still unsold, there are many very choice reservations, in fact the entire reserved section in the south stands are good seats.

The first home game of the season will be played Friday night, September 22 against Brenham. In order to get individual tickets printed for home games, the regular season tickets will have to be taken off sale by Tuesday to give printers time to produce five sets of reserved seat tickets to be sold at each home game at $1.00 for a ticket.

A jury is one thing that won't work right when it's fixed.

OXSHEER SMITH REPORTS ON WASHINTON TRIP

Oxsheer Smith, President of the Citizen's National Bank, left Cameron Sunday for Washington where he is scheduled to attend a meeting of the Directors of the Brazos River Conservation and Reclamation District.

Mr. Smith, recently a business vistor in the Capital, met with the Committee charged with the responsibility of selecting a site for the $11,000,000.00 Quartermaster Laboratory and sought to impress the Army Officials that Cameron is a logical site for this Laboratory. Cameron is one of seven Texas cities being considered as a site for the Laboratory.

Before leaving Cameron, Mr. Smith gave this Newspaper a statement outlining what occurred during his recent visit to Washington and also outlining some of the demands that would be made on this community in case the Laboratory is located here.

As Mr. Smith so well points out, Milam County pours more than $2,000-000.00 in taxes, direct and indirect into the U. S. Treasury each year and the biscuits should be passed.

Here is Mr. Smith's statement:

"Accompanied by Congressman W. R. Poage, I filled an appointment in the Pentagon Building with Mr. Fry, Secretary of the Committee to locate the $11,000,000.00 Army Laboratory. Spent about two hours after reading the specifications for the proposed site in Cameron's brief giving its qualifications. Each item was taken up with the secretary, who is the business manager of the committee and learned that Cameron could meet easily most all of the requirements of which was set out in the proposal sent out by the Government to the cities interested. The most difficult requirements for Cameron appeared to me to be:

"1. 15,000,000 (million) gallons water daily, temperature not exceeding 85 degrees (have been told that this

Negro Forger Must Serve Prison Term

Jewel C. Banks, negro, must serve five years in the Texas pentitentiary for forgery.

Banks forged a check for $104.50 on Louis Gest Chevrolet Dealer in Rockdale in May of this year and has been in jail since his arrest.

He was already under a suspended sentence of five years for felony theft and having violated the law a second time must now go to prison.

Milam County Gins 5,550 Bales Cotton Up To September 1

Milam County Gins had processed 5,550 bales of cotton from the crop of 1950, prior to September 1st. It is reported by Jack Barnes, Special Agent for the Department of Commerce.

On the same date in 1949, a total of 4,401 had been ginned. The County last year produced around 25,000 bales but there was no indication that the production would be as high in 1950.

The 1950 crop was cut short by the drouth as well as reduction of acreage and although the price was the highest in many years, the total crop receipts would be below the crop for last year.

Miss Correne Massey has accepted a position as Typist clerk in the office of the County Clerk and took over her duties Monday of this week. Miss Josephine Matocha who is attending Our Lady of The Lake College in San Antonio held the position during the summer months.

You have to make allowances for son when he's off to college.

OXSHEER SMITH
Leaves for Capital and Reports On Laboratory Demands

MILITARY LEADER WILL TAKE OVER TOP POST

WASHINGTON, Sept. 12—Defense Secretary Louis Johnson resigned today for the sake of "national unity" and President Truman summoned Gen. George C. Marshall out of retirement to succeed him.

Johnson leaves Sept. 19 under a cloud almost as dark as that which broke down his predecessor, James Forrestal, and led to his resignation and eventual suicide. Like Forrestal, he has been subjected to harsh political and personal attacks, including charges that his "economizing" left U. S. armed forces too weak to meet the Red attack in Korea.

While he finally threw in the sponge, Johnson made plain in his letter of resignation that he is quitting the Cabinet with his fighting spirit unimpaired, and still convinced he was right.

Accusing his "enemies" of undercutting his position, he urged Mr. Truman to name a successor immune from personal attack, and recommended Marshall.

In his letter of reply, Mr. Truman praised Johnson for his "patriotism" and agreed that his resignation is the best thing "in the terribly regrettable circumstances that have arisen."

The President telephoned Marshall at his Leesburg, Va., home late today and the General said he would accept the post. Once described by Mr. Truman as "The greatest living American," Marshall previously served his country as Army Chief of Staff during World War II and as Secretary of State in the early days of the cold war.

A few hours earlier, the White House announced the resignation of Stephen T .Early as Deputy Secretary of Defense, effective Sept. 30. Thus a completely new high command will take over the military establishment in the midst of the greatest peace-time rearmament program in history. Early's successor has not been named.

Mr. Truman will ask Congress immediately for special legislation making it possible for Marshall to serve.

5 Cameron Boys Sail For Korea On Ship With Gasoline Cargo

Five Cameron boys now in the Merchant Marine recently sailed from a south Texas Port aboard the tanker- Sea Comet bound for Korea.

They are Billy Eanes, Kenneth Nabours, J. D. McGoldrick, Salty Willburn and Grady Coker.

The ship is a Liberty Tanker and is loaded with gasoline, destined for the war zone in Korea. The boys should be back in the United States in about three months.

Advice to the girls: Never let a fool kiss you; or a kiss fool you.

CAMP HOOD SOLDIER KILLED AT BUCKHOLTS

Dead Man's Cuhve on Highwty 36 eas of the City of Buckholts claimed another life Sunday night.

One man is dead and two are critically injured at the result of the crash of a car and a truck on the hazardous double turn that has produced a number of wrecks.

The dead are:

EDWARD KENNEDY of Fort Hood.

The injured are:

GEORGE E. HALBERT of Fort Hood.

ROY J. BRIEN of Fort Hood.

According to information reaching this newspaper the wreck occured as Kennedy and his injured companions were returning to Fort Hood after spending the day in Cameron.

Kennedy was a member of the armed forces and stationed at Fort Hood.

Halbert and Brien are also members of the armed forces and are stationed at Fort Hood. Ranks of the men could not be ascertained.

The car in which Kennedy and his companions were riding collided with a truck belonging to the Bell Transport Company of Houston.

Kennedy was dead when an ambulance from the Marek-Burns Funeral Home arrived at the scene of the wreck.

Halbert and Brien were taken to a local Hospital where the attending physician, Dr. J. L. Walker, said they were making progress. Both suffered head injuries.

The body of Kennedy was taken early Monday morning to Fort Hood where it was turned over to military authorities.

Sheriff Carl Black said he had a telephone call from the Provost Marshall at Fort Hood Sunday night seeking information on details of the wreck.

It was said here that Kennedy lived in Arkansas but the residence of the injured men was not known.

The death of Kennedy is the third wreck fatality in Milam County this year. Crooked highways and lack of proper road signs and information are largely responsible for these wrecks.

YOEMEN TO CALDWELL FOR GAME ON FRIDAY

The Yoemen will renew play on their 1950 schedule Friday night when they go to Caldwell for a game with their old rivals, The Hornets.

This newspaper is still without information on weight and positions of the Yoemen team and there is no information on the Caldwell team so that a comprison cannot be made.

The Yoemen of course will be favorites in the game. On last Friday night Caldwell defeated Rosebud 7-0 but this victory would not indicate that the Hornets are any too strong because Rosebud lost nearly all of their first string men through graduation.

The Yoemen have kept up their schedule of hard work and so far as known the team is intact with no serious injuries resulting from the 27-0 victory over the West team last Friday night.

Cameron fans were due to go to Caldwell in large numbers due to good roads from Milano on and the short distance to Caldwell.

Coach Paul Smith was keeping pretty silent these days over his prospects but doing a lot of thinking and hard work.

Before investing in a going concern, make sure you know which way its going.

Our fishing days are days of eternal epectation and perpetual disappointment.

NEW COTTON MENACE REPORTED IN MILAM

Pink Bollworm has been found for the first time in Milam County, it was announced here by A. K. Inman of the Division of Pink Bollworm Control of San Antonio.

Mr. Inman in concert with County Agent J. D. Moore, told this newspaper that Pink Bollworm infestation appeared to be spreading rapidly and since last year 13 Texas counties have been found to be infested, Milam County being the northernmost of this new area of danger.

Mr. Moore said that for years counties having to deal with the Pink Bollworm problem had adopted the early plow under plan for cotton stalks and farmers have been successful, but last year, the plow under was not carried out in time and this fact may account for the spread of Bollworms to other cotton counties.

The Pink bollworm menace has spread to a wide area of Texas and in South Texas, the quarantine has been resorted to and only a small portion of East and Northeast Texas remain free.

"Pink Bollworms," said Mr. Inman, "is a serious cotton insect, has been found for the first time in Milam County early last week and infestation was discovered at Cameron and Thorndale on the first day of the inspection.

"These findings bear out our fears of the spread of pin bollworm to new areas because of the very heavy infestation throughout south Texas. In addition to Milam County, Williamson, Travis, Lee, Bastrop, Fayette and Lavaca Counties which are neighboring counties have been found to be infested."

The Chamber of Commerce in Cameron has undertaken a program of education in cooperation with the office of the County Agent to plow under cotton stalks immediately after the harvest is over.

Milam County faces a quarantine because these findings will be reported to the Commissioner of Agriculture and the governor will issue an emergency proclamation placing the newly infested counties under pink bollworm quarantine.

Mr. Inman said that Pink bollworm infestation may be elimitated if cotton farmers will pick their cotton and cut and plow under stalks during September. Hot sun will kill the billworm and if the stalks are destroyed, nothing will be left for the worm to feed on during winter months.

Much will depend on how farmers respond to the best method known of combating this menace.

Contest For Band Sweetheart Begins; 10 Candidates To Run

The contest for sweetheart of the Yoe High School Band got underway Wednesday morning September 13 with the following girls nominated and are making active campaigns for this popular honor.

The contest will continue until Saturday, September 30 at 8 P. M. On the following Friday night the successful candidate will be presented at the between halves ceremonies of the Cameron-Masonic Home football game at the Yoemen Field.

Candidates for the contest are: Ann Karnowski, Shirley Scarborough, Patsy Michalka, Norma Lunsford, Rosalie Tomek, Laverne Provazek, Jeannette Hairgrove, Kay Mondrick, Estelle Glaser and Betty Jo Glaser.

The public is invited to support their favorite candidate and the money received from this contest is utilized for the purpose of band uniforms, instruments and other various band needs.

The car's speedometer doesn't always reveal how far a couple has gone.

By the time the meek inherit the earth, taxes will be so high they won't want it.

COTTON PRODUCTION IS HALF 1949 FIGURE

Cotton futures jumped to the highest price in 30 years on the New Orleans exchange Friday and at the top the March contract sold at 41.35, only $1.75 a bale below the all time high established April 16, 1920.

Texas cotton production this season is forecast at less than half the yield of last year.

The Agriculture depadtment predicted today a Texas harvest of 2,775,000 bales, compared to the 5,900,000 last season.

The sharp decline could be attributed to federal acreage controls, bad weather and insects. Texas production showed considerable decline during August. The Aug. 1 forecast had set probable Texas production at 3,000,00 bales.

National production was forecast at much lower than expected. The federal forcast called for 9,882,000 bales a decline of 426,000 bales from a month earlier.

The department said that except for 1945 and 1946, the national acreage for harvest is the smallest since 1886.

Good middling spot cotton jumped above 41 cents a pound today. Last year, with a bumper crop, the average price was 27.6 cents.

This will be Texas' smallest crop since 1946.

Today's federal report put the Texas cotton acreage abandoned at four percent, the acreage 6,912,000, average production 192 pounds per acre and condition of the crop 70 percent of normal.

Cotton ginning in Texas to Sept. 1 was 615,115 bales, compared to 974,419 last year.

The forecast is for one of the smallest cotton crops in 60 years.

The government clamped strict controls on the export of raw cotton to allow a study of defense needs.

The forecast of 9,882,000 bales compares with 16,128,000 bales last year with a 10-year average of 11,599,000 bales. Except for 1945 and 1946, the cotton acreage for harvest is the smallest since 1886.

Dr. G. R. Jedlicka Called For Active Duty With The Navy

Dr. G. R. Jedlicka, local chiropractor has been called to active duty with the Navy it was learned here early Saturday morning.

Dr. Jedlicka is in the naval reserve and will leave Cameron on September 16 for Lambert Field in St. Louis, Missouri. During World War II he served three years and 15 months at this time was spent overseas. He was with the Medical Personnel attached to the 5th Marine Division.

Dr. Jedlicka has been in Cameron for the past two and half months. Mrs. Jedlicka and their three year old daughter will leave for St. Louis this week. They plan to make their home there while Dr. Jedlicka is in the service.

Oklahoma Man Saved By Quick Thinking As Car Hits Bridge

Harris Burrow of Oklahoma City narrowly escaped death around noon Friday on highway 190 west of Silver City when his car struck loose gravel and was overturned.

Mr. Burrow was driving west on his way to Cameron when his car suddenly went out of control and when he saw it would crash into the railing of the bridge and that he would be unable to control it a bit of quick thicking saved his life. He plunged to the floor of the car and braced himself with the result that he escaped serious injuries and possible death.

Mr. Burrow was driving a 1950 Pontiac and the machine, badly demolished, was brought in by a wrecker to the McLane Pontiac where it was said repairs would be impossible to make.

Guests in the home of Mr. and Mrs. Joe Shoguit Thursday were Mrs. Cecil Porter of Caldwell and Mr. and Mrs. Jim Thomas of Lubbock.

OLIVER WALL BURIED IN ROSEBUD SUNDAY

Oliver Wall, widely known landowner and farmer at Baileyville died from a heart attack at his home at 6:00 A. M. Saturday, September 9th.

Mr. Wall had been in declining health for several years and recently had been under treatment in a Temple hospital. The body of the landowner was found in bed by members of the household and he is believed to have died sometime during the night Friday or early Saturday morning.

Mr. Wall was a native of Milam County and had lived in that section nearly all of his life. As a young man, he acquired several hundred acres of land in the Baileyville community and in addition to his farm operations, he was a cattle raiser.

Funeral services were held Sunday, September 10 at 4:00 P. M. at First Baptist Church in Rosebud by Rev. T. O. Binford, Pastor. Interment was made in Woodland Cemetery in Rosebud.

Surviving are his widow and one daughter, Miss Martha Wall of Rosebud; five brothers, Ben Wall, Rosebud, Clyde Wall, Centerville, Henry Wall and Frank Wall of Dallas, and Alfred Wall of Corpus Christi; three sisters, Mrs. E. L. Burns of Groesbeck, Mrs. Frank McMillan of Calvert and Mrs. Edd Allen of Knoxville, Tennessee.

The following four brothers of Cameron are in Newton Memorial Hospital suffering from injuries sustained in the Santa Fe wreck near Lampasas several days ago; N. W Wells, J. R. Wells, Ulysis Wells and Louis Wells. All are reported to be resting well.

Miss Modene Wheeler, student at Draughon's Business College in Harlingen spent the past week with her parents, Mr. and Mrs. Leroy Wheeler.

Business Women Here Plan Activities For The Coming Year

The Business and Professional Women's Club met in regular session at the club rooms on September 5.

Mrs. Loretta Brock, president of the club, Mrs. Bonnie Donovan and Mrs. Naomi Needham, reporter, were hostesses.

During the business hour plans for the fiscal year were discussed and each member welcomed Mrs. Cynthia Saage into the club as a new member.

After business was completed, refreshments of angel food cake and coffee were served.

Members present were: Mrs. Kathryn Robbins, Mrs. Linda Perkins, Miss Myrtle Hinton, Miss Lois Randolph, Miss Mildred Thornton, Mrs. Agnes Lowe, Mrs. Fay Kohutek, Mrs. Henry W. Brown, Mrs. Naomi Nedham and Mrs. Loretta Brock and Miss Mary Randolph.

Mr. and Mrs. Earl McFarland, son daughter, Mrs. Grady Gill and children and Mrs. Minnie McFarland were visitors in the home of Mr. and Mrs. E. R. Hearne in Caldwell Sunday.

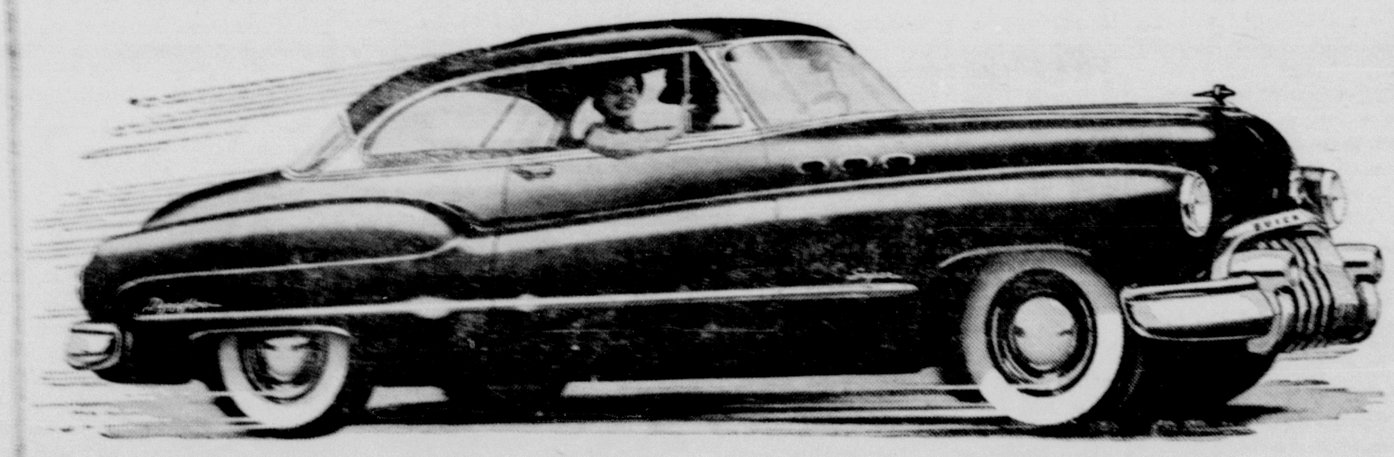
Looking for a Money Saver?



Better Buy Buick!

YOU CAN SEE here how smart it is—don't have to be told that it's the most quickly identified car on the road today.

You probably know that the engine under that broad bonnet is a Fireball straight-eight valve-in-head engine and a lively stepper in any company.

You can check the abundance of its room by the simple expedient of taking the family and trying out its spaciousness at the nearest Buick dealer's—and a very few minutes on the open road will satisfy you that all-coil springing, low-pressure tires and Buick's torque-tube drive really do produce a ride that is matchless for its soft comfort.

BUT RIGHT NOW, it may be that the money angle is the thing uppermost in your mind, and on that we'd like to make two points:

All our records go to show that this is the most economical Buick ever built. It is easy on gas, on oil, on tires, on upkeep.

And if you choose it with Dynaflow Drive,* it immediately eliminates all chance of friction-clutch repair and replacement—not to mention greatly reducing rear-axle and transmission maintenance.

Best of all, your initial outlay is a highly favorable one—whatever Buick you buy. For these brawny straight-eights—built rugged and solid for durable service—are priced at a level that makes them a standout buy in any price class.

Yes, better buy a Buick. Your dealer will be glad to demonstrate, glad to work out all the arithmetic of a deal. See him right away and get an order signed.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style now, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

SAND GROVE NEWS

By MRS. CURTIS JACKSON

This community received a nice rain Sunday night, accompanied by high winds, but so far, no damage has been reported.

Clebur McNeil visited in the home of his parents Saturday night.

Mrs. Curtis Jackson received news that her daughter, Mrs. W. A. Ramsey is recuperating nicely and is back in her home in Pasadena after a major operation in St. Mary's Hospital in Galveston.

Mrs. W. A. Baggett is still improving after an operation some time ago in St. Edwards Hospital, and we are wishing her a speedy recovery.

Bernie and Norris Baggett of Houston are visiting their parents, Mr. and Mrs. W. A. Baggett.

Mrs. Jessie Bankston and Mrs. Grover Woods of Milano were visitors in the home of their relatives, Mr. and Mrs. Dink Wodlington and Mr. and Mrs. Marcus Bankston Sunday afteroon.

Mr. ad Mrs. W .A. Baggett and sons visited in the O. E. Woolverton home Sunday.

Mr .and Mrs. Harold Neal spent the past week end in the home of Mr. and Mrs. Grat Sloan in Sommerville.

Mr. and Mrs. Dick Baggett of Dickson spent this past week end in the home of his brother and sister-in-law, Mr. and Mrs. W. A. Baggett.

Mrs. R .W. Wilson spent the past week in her home here. Her neighbors were happy to have her back home for a few days.

Mr. and Mrs. Curtis Jackson and granddaughters spent Wednesday night of last week in the home of her brother and wife, O. W. Stutts in Cameron.

Most everyone have gathered their peanuts but did not get through thrashing before the rains and perhaps will loose their peanut crops.

Do not forget church services at the Sand Grove Church of Christ each Lord's Day at 2:00 o'clock P. M. Everyone is welcome and your presence will be appreciated.

Car Stolen Here Is Recovered In Hearne

A 1950 pickup was recovered in Hearne late Wednesday. The car was stolen in Cameron, according to Sheriff Carl Black.

Reuben Mills of Milano parked his car on South Central avenue and left the keys in the switch. When he returned a short time later the car was gone.

Mr. Mills notified Sheriff Black and a search was instituted. The car was later found in Hearne.

The aggressive indivadual makes the wolf at the door into a rug for his floor.

BRANCHVILLE NEWS

By JOYCE WILKINSON

Mr. and Mrs. Bob Smithwick of Dallas have been visiting her mother, Mrs. W. R. Looney.

Mrs. Ewell Walston and Mrs. Jimmie Thurestt and children, Linda and Phil, spent last Sunday in Hempstead.

Mr. and Mrs. Vass Harlan attended the cemetery cleaning at Little River last Sunday.

Mrs. R. B. Wilson and children, Shirley, LaVerne and Peggy spent last Saturday in Calvert.

Billy Ray Wilson, son of Mr. and Mrs. R. B. Wilson, of Clifton Junior College was home visiting his mother Monday.

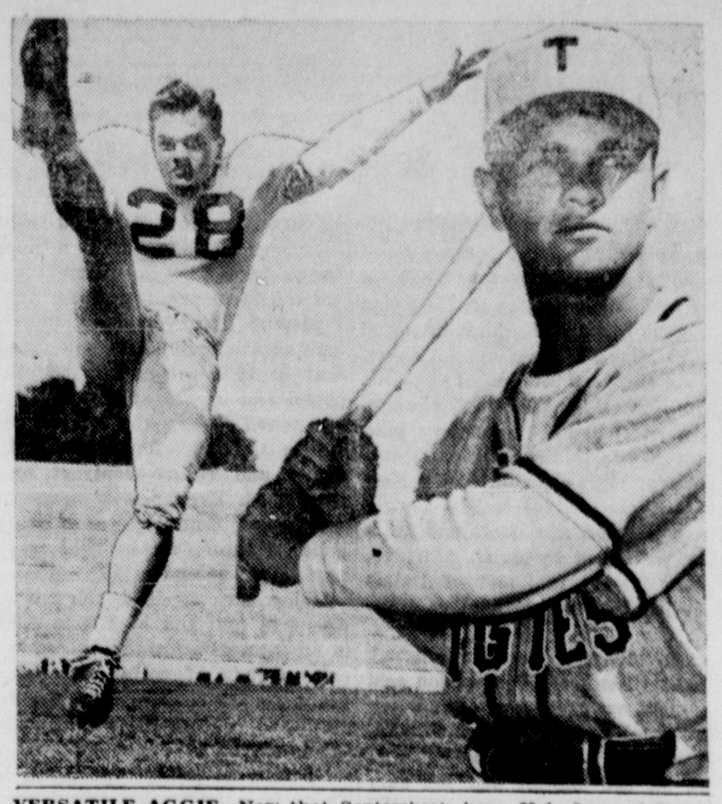
Mrs. Joe Bill Foster and children, Joe and Jolly were Sunday guests of Mr. and Mrs. Bob Foster Sunday.

Mrs. Valter White of Branchville visited her parents, Mr. and Mrs. Vass Harlen Saturday.

CARD OF THANKS

We wish to express our sincere thanks to friends and neighbors who helped during the illness and death of our wife and mother. For the beautiful flowers and words of condolence or anyone who assisted us in any way we are truly grateful.

C. M. Mullinax and family



VERSATILE AGGIE—Now that September's here, Yale Lary of Texas A&M has swapped his baseball spikes for football cleats. First time the Fort Worth boy stepped to the plate in a college baseball game he slammed out a 360-foot home run with the bases loaded. This fall, Lary is expected to be one of the top punters in the SWC. He'll do some ball-carrying for the Cadets, too.

Lloyd Stoebner Enlists In Army Air Corps At Lackland Air Base

Lloyd Stoebner, son of Mr. and Mrs. Will Stoebner of Burlington has enlisted in the Air Corps, according to information received by this newspaper.

Mr. Stoebner was an employee at the Citizens National Bank, until he volunteered for service early this week. He left for the Air Recruiting Office at Waco Monday where he passed his physical and was immediately sent to Lackland Air Base is San Antonio where he will receive his eight weeks basic training.

Mr. Stoebner is a graduate of Rosebud High School and attended Durham's Business College in Austin before joining the staff at the bank where he had been employed for the past 18 months.

Mrs. Canasta Says Mr. Canasta Is Traffic Problem Here Also

Mrs. Canasta's mop is a little redder today for having pinned the publishers ears back.

"You should get after these Mr. Canastas," she said. So we are going to have to deal Mr. Canasta a little misery over cluttering up the streets. Of course the husband always has more sense than his wife but its too late to find it out.

Mrs. Canasta said she was going down the street the other day "and right out in front of everybody there was two old men in their cars and I couldn't get by and what do you suppose they were talking about? A cattle deal," she said, "and one of them had his feet sticking way out in the street, so I think there are a few Mr. Canasta's who need to be raked over the coals."

Now you can see how difficult it is to get traffic regulated in this fair city of ours.

Cameron Cleaners Ask For Increased Prices

Five cleaning and pressing plants in the city of Cameron have announced price increases effective Saturday September 9.

In a notice published in this newspaper today a new schedule for prices are announced. It was said that prices here have been far below average levels for many years.

In no case are the prices exhorbitant and represent a reasonable return on investments and labor involved in operating these plants.

Cleaners signing the notice are: Markham Cleaners, Snowhite Laundry & Cleaners, Cammers Tailor Shop, Chas. C. Smith, and Tom Mowdy.

5 Cameron Men Are To Take Page Rank In Waco K-P Meeting

Five Cameron men will be initiated in the Knights of Pythias Tuesday night in Waco.

The rank of Page will be conferred on Hilliard Thomas, Max McClaren, James Edwards, Stewart Perkins and George Pool.

The degree will be conferred at a district meeting of the Pythians and delegates from Bryan, Austin, Temple, McGregor, Hillsboro, Marlin and Cameron will attend. Each Lodge in the district will have candidates for the rank of Page. Similar meetings will be held over the State and will be known as Pythian Home Class Initiation.

Three members of the Milam Lodge 25 are taking part in conferring this degree. They are J. M. McLean, C. R. Allison, and Fritz Schwarting.

Meter Fund Increase Reported; Canastaites Are Now Co-Operating

The parking meter fund continues to swell as revenue from the meters increase.

Marshall Terry, officer in charge of collection, said early this morning that $289.20 was taken from the meter boxes on Thursday. This is an increase of $31.47 over last week's report and since operation of the meters began th ecity has collected $1,349.11. If the council votes to raise everybody's salary or take on more helpers to collect and count the money, the fund may soon be depleted.

Mr. Terry, when asked if Mrs. Canasta was placing coins in the boxes, said: "yes, Mrs. Canasta is at last cooperating and Mr. Canasta has found out that he will have to do the same."

The brightest side of politics is on the inside.

WD TRACTOR TWO-CLUTCH CONTROL

In heavy crops, his tractor power flows steadily to Corn Harvester, ALL-CROP* Harvester, ROTO-BALER* or Forage Harvester. A push on the transmission clutch lever lets him stop forward motion to clear overloads without clogging, breakage or crop waste.

Ask any owner of an Allis-Chalmers WD Tractor to show you the many places where you need two-clutch control. Let him demonstrate the safety and convenience of this system where the foot-operated engine clutch stops all power outlets — pulley, hydraulic lift, power take-off and rear wheels, and the transmission clutch stops forward motion only.

Watch your neighbor's WD — it will be time well spent.

*ALL CROP and ROTO-BALER are Allis-Chalmers Trademarks.

Think 41c lb. Is Record Price For Cotton? Fleecy Staple Sold For $1.89 lb. In 1863; Old Record Book Reveals Cotton Facts

When you hear someone commenting upon the price of cotton and their knowledge goes back no further than 1920, it is well to enlighten them.

From the museum in the Cameron Herald comes a 100 year record of cotton production as well as prices all the way from 1824 through 1934 are shown and the record reveals many interesting statistics about cotton.

It is interesting to note that in 1863, the highest price ever paid for cotton was the New York Cotton Exchange peak at $1.89 per pound. The low price in 1863 was $.68 per pound and in that year, which was during the Civil War period the South produced only 450,000 bales.

In 1861 the South produced 4,500,000 bales and in 1862, we produced 1,600,000 bales. As the war progressed, cotton production reached a low ebb. In fact, the lowest production figure in the history of the cotton producing South was 300,000 bales in 1864. After the war was over and the Confederate soldier returned to his devastated lands, production went up and an 1865, the South produced 2,269,316 bales.

In 1861 cotton sold for $.51½ a pound and the low price in 1862 was 51s a pound, while the high was $.92 a pound. These figures are all taken from the high and low tables of prices on the New York Cotton Exchange.

The second highest price ever paid for cotton was in 1864 when the staple sold for $1.82 a pound on the New York market.

These figures are contained in a booklet published by A. D. Aldridge, a manufacturing stationer of Dallas and owned by F. J. Posival of Hanover.

Occasionally you hear someone say that they remember when cotton sold for as low as 3 cents a pound. No doubt this is true of local spot markets during years when cotton was a drug on the market and the surplus was large. Actually at no time during the period from 1824 through 1934 did cotton sell on the New York Exchange for less than 5c per pound.

The rugged individual who likes to curse the New Deal and who said that free enterprise was a thing of the past when the government instituted the farm program under the late President Roosevelt in 1932, should look at the record. He has forgotten that in 1931 cotton sold for 5c per pound and in 1932, the low was 5½c per pound. Today spot cotton is selling in Cameron for above $.41 per pound and future contract on the New York Exchange is around $.42 per pound. Contrary to recent published figures, cotton sold as high as $.43 per pound in 1920.

Going back to 1824, the low price was $.12 and the high was $.30. It is an interesting study to follow the price trends of cotton through the years. As far back as 1824, the South produced 751,748 bales and in 1825 produced 817,308 bales. Cotton sold for as low as $.05 per pound in 1844. There is a noticeable trend upward from 1866 through 1872. The high price in 1866 was $.42 per pound. The poor years were from 1839 through 1860 and again from 1876 through 1913. In those years, production figures were high and the carry over was large, especially in the latter period. In 1913, the South produced 14,000,000 bales.

From 1824 through 1896, the South did not produce as many as 10,000,000 bales but in 1898, more than 11,000,000 bales were produced and the figures began to climb upward. The highest production figure for the 100 year period mentioned above was in 1926 when the South produced 17,755,070 bales and cotton sold as low as $.12 1-8 and as high as $.19¼ per pound. By 1930, the price had fallen to a low level of $.08¼ and by 1931, it was selling at 5c a pound.

The all time high of $1.89 per pound came about as a result of the Civil War when cotton was used for making powder coupled with the fact that the South produced less than one-half million bales in 1863. In the following year of 1864 as shown above, the second highest price ever paid for cotton was $1.82 per pound.

Miss Marjorie Denson, daughter of Mr. and Mrs. Joe Denson, who has been spending the summer months in Colorado University, has returned to her home here, and has returned to Baylor University for the fall term where she expects to complete her term this winter. Miss Denson reports that she enjoyed the summer season at Colorado.

We couldn't understand how he kept so fat, when everyone said he ate like a bird, until we discovered he ate a peck at a time.

Returns From Show Gift Good In Dallas

Mrs. Sally Meier with the George A. Thomas & Sons Drug Store in Cameron nas returned from Dallas where she attended a three day Gift and Jewelry Show.

Mrs. Meier while in Dallas went over to Ft. Worth for a Toilet Goods Show. She reports merchandise plentiful and that she purchased many gifts for the Christmas holidays. The shows this year were much larger and more interesting than in previious years.

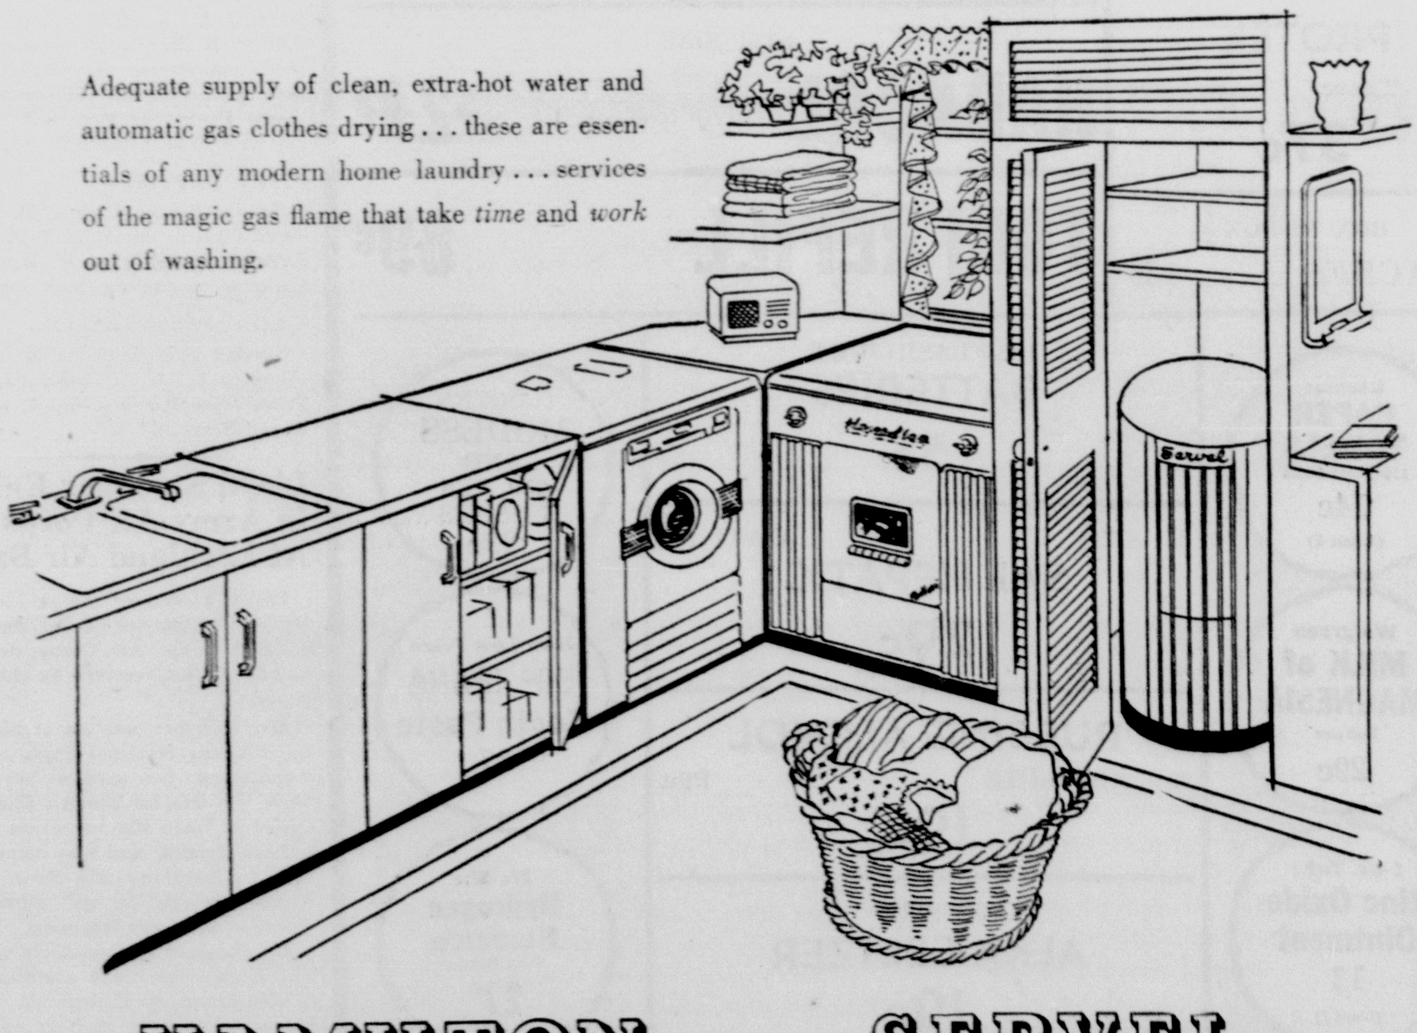
No More WashDAYS

just MINUTES with Servel Water Heater, Hamilton Clothes Dryer

Adequate supply of clean, extra-hot water and automatic gas clothes drying ... these are essentials of any modern home laundry ... services of the magic gas flame that take *time* and *work* out of washing.



HAMILTON
fluff-dry clothes dryer

Throw your clothespins away! No more lugging baskets of wet clothes to line. No more waiting for good weather. Hamilton fluff-dries or damp-dries clothes quick and easy. You are ready to iron minutes after you start washing. However, much of your washing needs no ironing at all—Hamilton tumbles the wrinkles out and fluffs it beautifully. Exclusive Sun-E-Day ultra-violet ray lamp kills air-borne bacteria—gives sunshine-and-breeze freshness.

GAS operation means
- Faster operation.
- Closer temperature control.
- More economical operation.
- Dependable fuel supply.

SERVEL
copper-tank water heater

Exclusive ball-type tank of ageless copper is strongest shape known, cannot rust. Heat exchanger passes through the center of tank for most efficient operation. Insulated *all around* for greater fuel saving. Servel gives you enough rust-free hot water to wash six straight washer loads of clothes ... at the *higher temperatures* recommended for cleaner washes. Simple, positive controls—automatic in operation—have finest proved safety devices.

GAS operation means
- Faster rate of recovery.
- Lower first cost, lower installation cost.
- More gallons at less cost.
- More dependable fuel supply.

Lone Star Gas Company

Judge and Mrs. Ed Gunn visited Mr. and Mrs. A. M. Barber near Pleasant Hill Thursday afternoon.

Joe Kostiha of Buckholts was a business visitor in Cameron one day this week.

The reason they call money "jack" is because it lifts such a load off a person.

Mrs. Johnnie Houston and children of Marlow were visitors in Cameron Saturday.

The installment plan is the only method so far discovered that will induce some people to do things on time.

If you want your progress to stop, just be totally satisfied.

DOUBLE AGED
for
DOUBLE MELLOW
FLAVOR
It takes ageing time, plenty of it, to bring out the mellow, natural flavor of an all-grain beer. Lone Star gets that time. Not one, but TWO AGEING PERIODS develop Lone Star's flavor slowly, completely. That's why Lone Star is truly DOUBLE-MELLOW.
Double MELLOW Double AGED
LONE STAR Beer
3 WAYS LIGHT
1. LIGHT in color
2. LIGHT in aroma
3. LIGHT on your system
No sugars or syrups are added in brewing Lone Star. Lone Star is a natural, all-grain beer. That's why Lone Star is a light beer in three ways, the right beer in every way.
ALSO IN HANDY FLAT-TOP CANS
Lone Star cans come in cases of 12 and 24. 12-can cases split easily into handy sixes. Ask for Lone Star at your grocer's or ice station.

Worry kills more people than work, because more people worry than work.

PHONE COMPANY HERE FAILS ITS PLEDGES

The Temple city commission, meeting in special session Thursday evening, rejected the Southwestern Bell Telephone Co's request for an increase in telephone rates there, but indicated that the commission is "ready and willing" to negotiate further with the company on the basis of a 25 percent overall rate increase, provided the company will agree to furnish telephone service to all Temple residents who apply for it.

The company had requested a rate increase which the commissioners said amounts to an overall increase of 60 percent in rates. The commissioners said they think this in too much.

In a statement of its willingness to negotiate further, the commission said:

"The commission stands ready and willing to negotiate with the telephone company on the basis of a 25 per cent overall rate increase with the stipulation that the company agree to provide adequate telephone service to all people in the city limits who apply for service now or in the future."

Commissioner Winston Liles said he had received several letters from people living outside the city limits who said they had asked for rural telephones but that the company had refused them, saying that they could not install any more rural phones until the city commission allowed them a rate increase.

The city of Dallas made the Telephone Company come to terms by demonstrating a little backbone and threatening to invoke regulations.

In Cameron almost two years ago Southwestern Bell Telepmone Company laid the ground work for its application for increased rates and had no trouble whatever, for it was recognized that the Company was entitled to an increase.

However, at the time the increase was sought and obtained the Company made a pledge of extensive improvements which included some 400 rural telephones and modernization of its attic exchange. This work was to have bee completed by January 1, 1950 but in the main only a small part of the program has been carried out.

The telephone company made substantially the same promises in many Texas towns and generally have succeeded in getting rates increased and in some cases almost 100 percent. It is an industrial impossibility for the company to achieve such a program of expansion but the little cities and towns are paying the rate increases nevertheless.

St. Rita's Circle Resumes Activities; Plan Parish Festival

St. Rita's Circle resumed their meettings for 1950-51 with a meeting at the Simon-George Memorial Hall Monday, September 6 and 12 members answered roll call. Mrs. David Shapiro, President presided.

Plans were discussed for the NCCW convention to be held October 6, 7, and 8 and a commitee was appointed. Plans were also discussed for the Parish Fall Festival to be held Sunday, September 10 at the Community Hall and church ground.

The hostesses Mrs. Joe Huebner and Mrs. Weid served a dainty refreshment course of Ice Cream and cookies.

Mrs. E. O. Schiller, Sr. will be hostesses at the next meeting September 20.

Roy C. Butler, Superintendent of Thorndale Schools and B. E. Lass, Principal of the School were visitors in the County Superintendents office here Wednesday of this week.

Mrs. A. M. Williams and daughters of Independence were guests of Mr. and Mrs. B. F. Bailey in Cameron this week. Mrs. William is a sister of Mrs. Bailey.

Miss Pauline Sakewitz has accepted a position as Bookkeeper at the Citizen's National Bank. Miss Sakewitz formerly worked in the office of the PMA.

Miss Louise Farmer And Edwin Stecher Married In Waco

The wedding of Miss Anna Louise Farmer of Waco and Edwin A. Stecker, son of Mrs. Leo Stecker of Cameron was solemnized at the St. Mary's Church by Rev. J. J. Kearns officiating, Saturday, August 26 at 9 A. M.

Gene Selle of Austin sang several nuptial selections accompanied by Mrs. Pat Hallaran at the organ. White Gladioli in white urns flanked the altar on both sides. Palms and ferns were placed at points throughout the church.

Mrs. Louis Saladino, sister of the bride, attended as matron of honor. Bridesmaids were Misses Angela Pardichi and Louise Green. Little Miss Sue Ellen Jobe was flower girl.

Lee Roy Stecker of Dallas, attended his brother as best man and ushers were John P. Farmer, brother of the bride and Al Matocha both of Waco.

The bride wore a dress of ivory satin with a hoop skirt and self-covered buttons down the front of the bodice. Her fingertip veil was caught with a cluster of orange blossoms. She carried a prayer book arranged with a garland of French carnations.

The matron of honor wore an aqua colonial style dress with a hoop skirt. The bridesmaids wore similar dresses in rose. They wore white gloves and carried colonial bouquets.

A reception was held at the home of the bride's parents, Mr. and Mrs. F. C. Farmer at 2800 Cole Avenue. The bride's table was covered with a lace cloth and centered with a bowl of asters and chrysanthemums and at one end held the three-tiered wedding cake. In the house party were Mesdames D. Daniels, Nick Davis, Lee Schubert, White Smith of Dallas and Misses Honore Thompson and Barbara Gurecky of Cameron.

For traveling attire, the bride chose a gold suit with brown accessories and a white carnation corsage. After a trip to the Valley the couple will make their ome at 2417 Burnett Avenue.

The bride is a Graduate of Waco High School and has been an instructor in the Elmer Wheatley School of Dance for a number of years and taught dancing in Cameron for two years and is well known here as "Sissy."

The groom is a graduate of Yoe High School and served in the U. S. Navy for three years in the late war and has recently completed a course in business administration at 4-C college in Waco and is now employed as bookkeeper for a Waco firm.

Attending the wedding from Cameron were Mr. and Mrs. Francis Cox, and daughter Kay, Mrs. Fred Reno and Nan, Mrs. B. J. Matocha and Josephine, Mr. and Mrs. Alphonse Matocha and John Charles, Mrs. John Hrozek, Mrs. N. Duffy, Mrs. Lincoln Mondrick, Mrs. Edwin Hrozek, Mr. and Mrs. A. K. Gurecky and Barbara Jane, Miss Bessie Marak, Albert Frank and Barbara Mondrick.

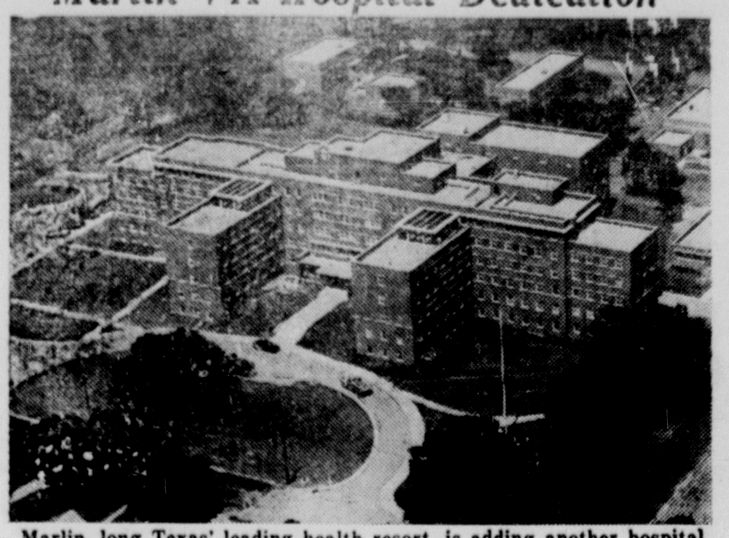
Marlin VA Hospital Dedication



Marlin, long Texas' leading health resort, is adding another hospital to its facilities with the dedication of the new 200-bed Veterans Administration hospital September 16. General Carl R. Gray Jr., administrator of Veterans Affairs of Washington, D. C., highlights the formal ceremonies with the dedicatory address. Dr. C. R. Miller, native Texan, is the manager of the Marlin facility. First patients at the hospital are expected before the end of September. It was built at a cost of approximately six million dollars.

Your kindness and sympathy were deeply appreciated during the sudden death of our husband and father.

Mrs. J. M. Dodson, Sr., and children.

Mrs. C. A. Lamb of Austin visited in the home of Mr. .and Mrs. R. A. Lamb Sunday.

New Schedules For Social Security Are Made For Veterans

Under a recent amendment to the Social Security Act, World War II veterans' widows and children, or dependent parents over 65 years of age, may be entitled to social security payments if they are not receiving compensation or pension from the Veterans Administration, according to H. B. McClellan, Milam County's Veterans Service Officer.

Veterans who served from September 16, 1940 to July 25, 1947 and had at least 90 days service or who were discharged sooner for service-connected disabilities, and who were not dishonorably discharged will be given wage credits of $160.00 a month on their social security.

Benefits may be payable to the veteran's widow, provided she has children under 18 years of age and until they reach the age of 18, and providing she does not remarry, however if she remarries her children will still be entitled to payments until they reach the age of 18 and are unmarried.

Dependent parents would be eligible only if the veteran died leaving no widow or children. Social security payments will not be made if the survivor is in receipt of pension or compensation from the veterans administration, however, National Service Life Insurance would not be considered as a pension.

Mr. and Mars. Ralph White of Dallas visited in the home of Mr. and Mrs. Dan Thweatt Monday.

W. E. Kuzel of Buckholts transacted business in Cameron one day this week.

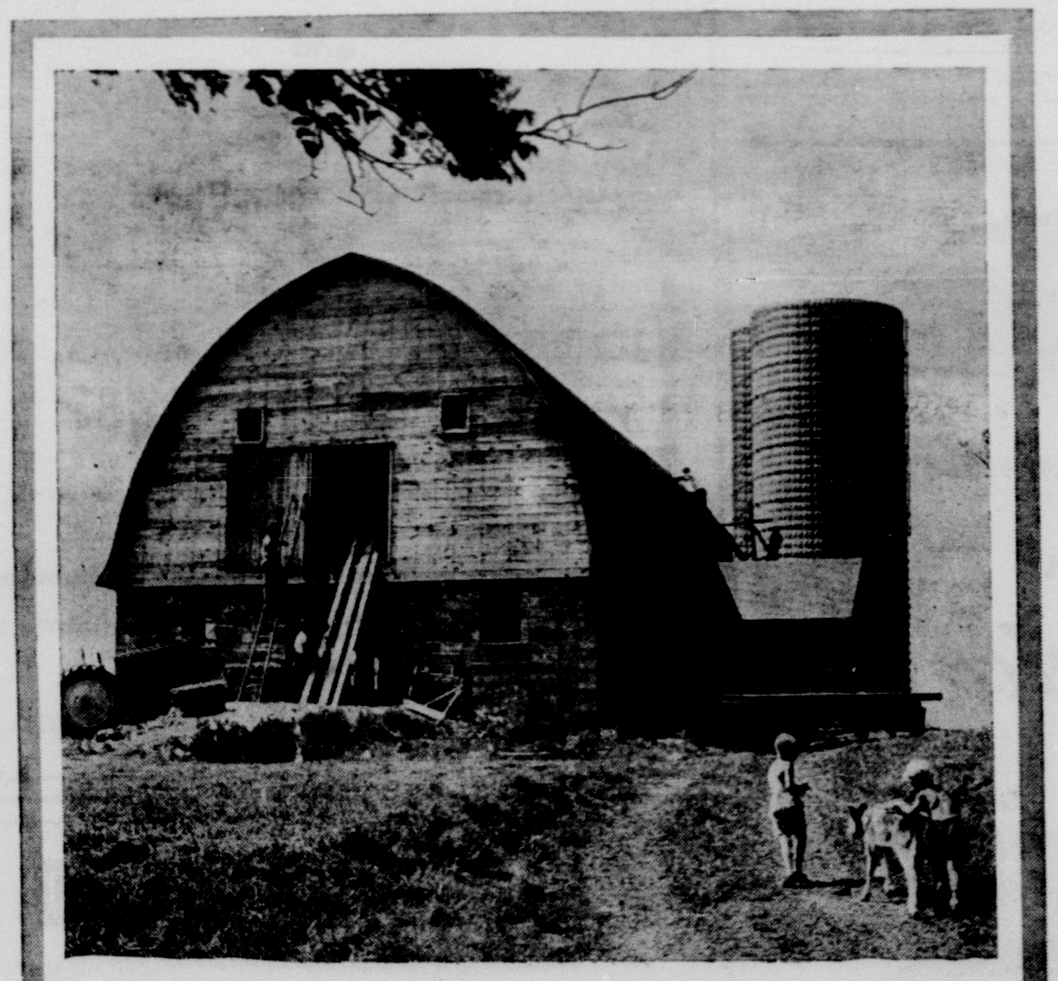
THE MAMIE A. HEFLEY INSURANCE AGENCY



The Brainstorm that became a barn!

THE BARN you see being built here was actually born 10 years ago. It was born the day its owner started to save for it in safe, sure U. S. Savings Bonds. And that same good idea will pay for his children's education, and make his dreams of retirement come true.

You probably have dreams, too . . . maybe to remodel the house, to buy the "forty" across the road or to get some of those new, modern farm machines. And Savings Bonds, the crop that never fails, will make *your* dreams come true, too . . . at a profit of $4 back for every $3 you invest.

Dean W. I. Myers of Cornell University, says: "A financial reserve in U. S. Savings Bonds is just as important a part of a well-managed farm or ranch business as is land, livestock and machinery. Farm and ranch people need to have their financial reserves in this safe, readily available form."

JONES PRAIRIE NEWS

By MRS. S. S. HICKMAN

The W. M. U. Women will hold an all day meeting Thursday September 14th at the community center to make two quilts for the new orphans home at Round Rock. A covered dish luncheon will be served at the noon hour and in the afternoon, Mission Study Chairman, Mrs. R. K. Fontaine will teach a portion of the book, "God's Hurry" by Duke K. McCall.

Mr. and Mrs. Guy Carroll and daughter, Sharon of Bryan visited Mr. and Mrs. Marvin Hickman recently.

Miss Corrine Massey of Cameron spent Sunday with her parents, Mr. and Mrs. C. H. Massey.

Mr. and Mrs. O. T. Canady had as their recent guests, their son and daughter-in-law, Mr. and Mrs. Elmo Canady of Houston.

Mr. and Mrs. Henry Garrett and family of Bryan were week-end guests of Mr. and Mrs. R. K. Fontaine.

Billy Hauk of Clarkson attended church service here Sunday and was a guest in the V. A. Hughen home.

Mr. and Mrs. Jack McKinney and daughter, Jacqueline of Austin visited his parents, Mr. and Mrs. H. P. McKinney.

Those attending the Stewardship Rally at the Milano Baptist Church Friday from Little River Church were Mr. and Mrs. Joe Bailey and children, Pat and Bob, Mrs. S. M. Harrell, Mrs. S. S. Hickman and Miss Evelyn Harrell.

Miss Louise Jamison has gone to Belton where she will resume her duties as Librarian at the High School there, after having spent the summer vacation with her mother, Mrs. J. A. Jamison.

Recent guests of Mrs. S. M. Harrell were Mr. and Mrs. I. G. Rice, and Miss Carolyn Rice of Brownwood, Mr. and Mrs. J. L. Walker and son, James David of Milano, and Jim Lester of Houston.

Mrs. Pete Allray and son of Lufkin visited Miss Roxie Allday and other relatives here recently.

Mrs. J. A. McKinney and Miss Ethel McKinney were Cameron visitors Monday.

Mrs. Eddie Dodson who has been ill and in Torbett Hospital in Marlin has returned home and is improving some.

JOE M. DODSON RITES ARE HELD IN WACO

Joe M. Dodson, 72, died September 9th in a Waco Hospital.

Mr. Dodson was the father of Mrs. G. T. Henderson and Mrs. E. L. Peed of Cameron.

Funeral services were held from Brooks Baptist Church at 2:00 P. M. Monday September 11th. Burial

(Continued from page one)

was made in Memorial Cemetery in Waco.

Mr. Dodson was in charge of the Maintenance Department at Baylor University. He was active duty at his office when stricken shortly before noon on Saturday and died within a few hours.

Surviving are his widow of Waco, three daughters, Mrs. R. D. Anderson of Fort Worth, Mrs. G. T. Henderson and Mrs. E. L. Peed of Cameron; six sons, Joe, Leland and W. H. Dodson of Waco, W. K. Dodson of San Antonio, R. E. Dodson of Mount Calm and Grady Dodson of Portland, Oregon.

Took Automobile But Pays Fine of $50 Gets 5 Days In Jail

D. R. Sproles, 19 year old Cameron boy, was found guilty of driving a automobile without permission of the owner and was perimtted to pay a fine of $50 before Judge Dan Tyson in County Court.

Judge Tyson added a sentence of five days in jail to the fine as punishment for the young man.

Sproles was arrested in Hearne after he had taken a pickup belonging to Reuben Mills from a Cameron Street. He was placed in jail here and held on complaint of theft but in settlement of the case he was permitted to go with the payment of the fine and a small jail sentence.

YARRELLTON NEWS

By MRS. LENA RUSSELL

Mrs. John Foster and Mrs. W. C. McDonald visited Mrs. Charles Russel last Wednesday afternoon.

Mr. and Mrs. John Barrett and son of Honey Grove have returned home after visiting relatives here and at Rosebud.

Mrs. Lee Matthews was a patient in St. Edwards Hospital one night recently after stepping on a nail.

Mr. and Mrs. R. W. Hopper of Houston returned home Monday afternoon after spending the week-end with the Charles Russel family and other relatives in Milam County.

Mr. and Mrs. Curtis Brasington and sons and Doris Nell Lott of San Antonio visited in the John Lott home recently and with Mr. and Mrs. Autis Lott in Cameron.

Mr. and Mrs. Ted McDonald of Freeport visited his parents, Mr. and Mrs. John McDonald recently and were Sunday supper guests in the home of Mrs. Minnie Russell and children.

Rev. R. L. South was Sunday dinner guest in the home of Mr. and Mrs. Rodney Barker.

The wind and hail Sunday afternoon with the heavy rain did quite a lot of damage to roofs, trees and crops throughout its path; shade threes were blown to pieces in several yards, chairs from Fred Cochran's porch were blown to the field and roofs from barns were blown off, chickens from the farm of J. A. Provasek were carried up in a funnel shape along with roofs from hen houses, and hail almost stripped cotton and flattened corn to the ground in large area of the twister's path, but so far no one was injured that we know of.

Mr. and Mrs. L. R. Russell and son, Charles Ray of Orangefield, returned home Monday after spending the week end with his parents, Mr. and Mrs. C. E. Russell and family.

Ladis Klapka and daughter, Evelyn visited in the Charles Russell home Saturday night.

Mr. and Mrs. John Mekush and family were visitors in the Valverda community Sunday.

Mrs. Maud Davis and Mrs. Geneva Lankford of Cameron visited in the home of their brother, Ance Wilkerson, Sunday.

Mrs. John Mekush visited Mrs. Charles Russell Monday.

Mr. and Mrs. Joe Ford were visitors in the W. A. Wilkerson home Saturday night.

CARD OF APPRECIATION

I wish to thank each and everyone for the lovely flowers, cards, visits and other assistance rendered during my stay in St. Edwards Hospital, and I especially thank the Doctors, Nurses, and Hospital Staff who were so nice to me.

May God Bless Each of You.

Mrs. Charles Russell.

Most of us don't trust people for two reasons: First, because we don't know them; and second, because we do

Miss Imogene Sanders who is employed in Austin is spending her vacation with home folks at Minerva. She also visited friends in Cameron.

LONG RUNS FEATURE VICTORY OVER WEST

Displaying an offense that serves notice on the conference that they will be strong contenders for the Championship again, the Yoemen opened their 1950 schedule with a 27-0 victory over the West Trojans Friday night.

Coach Paul Smith and line coach Dick Young were plainly jubilant over the showing and since the team came out of the game without injuries, all was bright around the gymnasium and the old stadium Saturday morning.

The Yoemen kicked off to the Trojans who took the ball on their own 15 yard line and through a series of pass completions took the ball to the Yoemen ten yard line where Dick Young's charges held for downs and the ball went over.

After an exchange of punts, Ray Thompson, defensive line backer, intercepted a Trojan pass and ran 40 yards for the frist Yoemen Touchdown. Glenn Rosenberg added the extra point. Rosenberg also returned a punt for 45 yards during the first quarter.

In the second quarter after a series of fumbles by both teams, Rosenberg took a hand off from quarterback Eldon Batte and moved 40 yards behind good blocking to score for the second touchdown. He then kicked the extra point.

During the remainder of the second quarter the Yoemen gained much yardage on off tackle plays but were unable to score again as the Trojan defense tightened and the Yoemen offensive bogged down. The half ended with the Yoemen in possession of the ball on the Trojan's 40 yard line.

At the opening of the second half Yoemen put on a touchdown march. Eddie Lankford took the West Kickoff on the 18 and returned to the West 42. On eight power plays the Yoemen moved the ball down to the four yard line where Rosenberg skirted right end for the score. This was Rosenberg's second touchdown. He failed to add the extra point.

On three plays after the Yoemen kicked off, Joe Johns pulled down a pass thrown by West's Henry Zapalac and ran to the eight yard line. Lankford on an off tackle play carried the ball over but the play was called back as the Cameron team was offsides.

Lankford tried two plunges at the line and couldn't score then a short pass from Lankford to Frank Malone in the end zone was good for a touchdown. Marvin Allen added the extra point.

During the final quarter the Trojans tried numerous passes but failed to complete. The West team on a series of downs late in the fourth quarter marched to the Yoemen 25 yard line but several attempts at the Yoemen line failed and the attack bogged down.

The game ended with the Trojans in possession of the ball on the Yoemen 32 yard line.

Coach Paul Smith said that West had a much better team in 1949 and their passing attack is something that should be watched by teams they are to play in the future. He said if their passes had clicked properly last night the score might have been a different figure.

Alton Logan, halfback, punting for the Yoemen, had an average of 45 yards which is very good for a high school gridiron, Coach Smith said.

Coach Smith said that Coach Dick Young's line drilling proved very advantageous throughout the game as many times the Trojans would start an attack and the line would immediately stiffen and the Trojan offense would be broken up. The Yoemen used the Y and Single Wing formations during most of the game and various defensive plays on defense.

Bartley Braden, halfback, was the only injury of the game but should be ready for the game next Friday night if his injuries are not too serious.

Coach Smith said on the whole he is very proud of his Yoemen and they will be given a rough workout in the coming week in preparation for the Caldwell Hornets to be played there Friday night September 15.

Ladis Marek, Jr., Now In Air Corps; Reports To Lackland Base

Ladis Marek, Jr., son of Mr. and Mrs. Ladis Marek, has volunteered for service in the Air Corp it was learned here Thursday morning.

Mr. Marek who has attended Southwestern University for the past three years and would have been a senior at the beginning of the Fall term decided late last week to volunteer for service. He was majoring in Education and his plans were to teach after completing his college education but since the conflict in Korea is becoming more critical he decided to join the armed forces.

Mr. Marek reported to the Air Force Recruiting Office in Waco Monday where he passed his physical and is now stationed at Lackland Field in San Antonio where he will remain for eight weeks for his basic training.

Cameron Lions Club Carnival Big Success; $645.50 Taken In

Lions Club Carnival held on the Court House lawn Friday and Saturday was again a tremendous success and according to information the amount of $654.50 was taken in.

Adolph Winfield reported that about one-half of the gross amount will have to be paid out for expenses occured during the carnival.

There were eleven stands including bingo, country store, duck pond, weight guessing, motion picture, hot dog, cold drink, money stand, fish stand, cake walk, and cigarette stand.

A live duck was given away and little Marsha Dell Siebman was the lucky contestant.

The club is to be commended for this worthy effort and the money made will be used for sight conservation among school children who need glasses and cannot afford them.

Mariano De La Rosa of Alice is visiting his son, Louis De La Rosa and family here this week.

KOREAN WAR FRONTS REVEAL FURY OF FIGHT

American and South Korean defense lines stiffened today as Communist forces hammered at two additional sectors of the United Nations front.

Communist troops, seeking to exploit their breakthrough in the northeast, gained ground today in only one sector. In all other areas they were checked or pushed back.

The only Red advance reported this morning was in the area about two miles south of Angang-Ni, eight miles south of fallen Pohang. An eighth army communique said two ROK regiments were forced back in this sector. A front dispatch said the South Korean withdrawal amounted to 500 to 1,000 yards.

Shifting a portion of their attack to other fronts, the North Koreans assulted the U. S. First Cavalry division from the old walled city of Kasan, 10 miles north of Taegu. An Eighth army communique said that this attack, which was launched Wednesday, was being contained by the American defenders.

The other fresh assult was against the entire U. S. 25th division sector in the south, guarding Masan. Front dispatches said the Reds launched strong probing attacks in battalion strength all along this front but made a penetration at only one point, where they were being counterattacked. The Eighth army communique said the Red assult in this area was against the northern sector of the 25th division lines and it made no progress although some Red infiltrators got through.

Enemy artillery fire on the 25th division front last night was the heaviest ever to hit that sector, the commonique said.

Presbyterian Women In Session Here

Women of First Presbyterian Church held their monthly Bible and Business meeting at the church on Monday afternoon September 4.

Mrs. Lula Gillis, chairman of the program gave an interesting discussion on third and fourth chapters of the Book of Hebrews. The topic for the month is Supreme Christian religion.

After the program and business hour the social hour was held in the basement of the church. A fellowship supper will be held Wednesday of the month, September 27.

The gas tank gang is singing again "How Dry I Am."

The way some women shop, you'd think they were taking inventory of the store.

What we can't understand is how nature takes care of things, even though they may happen years and years later. For instance, look how our nose and ears are located, just to hold spectacles.

WILL BE HARDER TO BUY NEW AUTOMOBILE

America, anxious to get back to full enjoyment of prosperity after the late war is in for a rude shock of interruption.

In President Hoover's time it was a chicken in every pot. Later it was a car in every garage and now two cars in every garage but the Korean War, started by Red Russia has changed all of that.

It will be harder to buy an automobile now and new cars are going to be scarce like they were during the late war.

The government imposed consumer credit curbs on Friday to become effective September 18 and it will be harder to buy automobiles, television sets and a lot of household appliances.

President Truman was due to broadcast in a nation wide discussion Saturday night of what may be expected in the matter of sacrifices on the part of the American people during the war emergency.

New regulations require a down payment of one-third on automobiles and the balance in 21 months. Buyers of household appliances and radios must pay down 15 per cent and liquidate in 18 months.

Furniture and rugs can be bought at 15 percent down and 18 months while home repairs can be made with 10 percent down and 30 months to pay instead of 36 as now required.

Under inflation buying, the nation went on a splurge and on July 31 the people had bought nearly 21 billion dollars in merchandise on the installment plan to create an all time high in credit buying.

Tune in on the President tonight at 8:30 central standard time and you will find out how many notches you will have to tighten up on your belt.

COTTON PRICE IS NEAR ALL TIME HIGH HERE

The flow of new cotton has been retarded to some extent by wet weather and it is revealed that a total of 4242 bales have been received at the Cameron Compress.

P. W .Davis, manager at the Compress said this figure is about the same as the figure for this date last year. If it had not been for the rains, receipts may have been over 6,000 bales.

Crop shortage is attributed to the drouth and acreage reduction but the price was making a big difference.

Middling 15-16 inch basis was selling at 40.25 and better cotton was bringing 40.60. The price of cotton may reach 42 cents which will be an all time high and not since 1919 and 1920 has cotton sold for 42 cents a pound.

Cameron Youth Held In Theft of Car

D. R. Sproles, 19 year old Cameron youth is being held in County jail in connection with the disappearance of an automobile from the streets of Cameron on Wednesday.

Sheriff Carl Black said that Sproles was picked up by officers in Hearne Wednesday night.

A pickup parked on South Central and belonging to Reuben Mills of Milano was taken and presumably driven to Hearne where it was discovered the same night.

Sgt. Eugene Shultz and wife, visited in Cameron last week. Sgt. Shultz is a Pilot and is working at the Air Field, Waco. He is originally from Pennsylvania and was at Camp Hood for a while before taking his place at Waco. Mrs. Shultz formerly was Miss Betty White of Sharp.

Stop that scratching!

Ride 'Em, Cowboy

Bull Riding is one of the most popular of many events to be seen at the 19th Annual Texas Prison Rodeo, to be held in Prison Stadium at Huntsville, Texas, each Sunday in October.

Dancing Class Here Enrolls 45 Pupils

Ruth Jane Byrom has enrolled 45 pupils in her Schol of Dance it was reported here Thursday by Mrs. Henry Lippman.

Registration was held at the Ada Henderson School Wednesday afternoon from 3 to 4:30 P. M. and Mrs. Byrom was well pleased with the enrollment number and said that several more have plans to enroll within a week or ten days.

Mrs. Byrom who is well qualified in dancing has asked that if there are any children still wanting lessons for the coming year they can still enroll as lessons will get underway at the playroom of the school on Wednesday September 13.

OXSHEER SMITH JOINS DAM LICENSE PROTEST

Oxsheer Smith, member of the Board of the Brazos River Conservation and Reclamation District, is in Washington for a meeting with the Board on Wednesday, September 13th.

The Board will ask the Federal Power Commission that it be not required of the District that a license be taken out to build three dams on the Brazos River. In the issue that has arisen between the State and the Federal Government, Texans are reading into the muddle the same principle that is involved in the Tidelands grab, and they are pointing out that if the Federal Power Commission imposes these conditions on the Brazos Board, river rights will also be lost to the people of the State.

Mr. Smith, in his appearance in Washington is backed by a resolution passed by the Democrats in Milam County in convention on July 29th and it was expected that the State convention at Mineral Wells would take similar action.

Mr. Smith points out that the Federal Power Commission has no rights either legal or moral to require license of the Conservation District

(Continued from page one)

and could do so only on the vague pretext that they would interfere with navigation.

"These dams are to be built 500 river miles up the Brazos from the Great Whitney Dam now nearing completion and there is no by pass around this dam," said Mr. Smith. "How could it therefore in even a remote way interfere with navigation- The three dams to be constructed will use the natural flow of the water and will not impound any great amount of water."

Mr. Smith points out that the Brazos board will use no federal or state money but secure its $30,000,000 by selling its own bonds secured by a contract with the Texas Power and Light Company to take its electricity. The dams will pay themselves out in 24 to 26 years including all interest. The net earnings amount to more than $1,200,000 a year of more tha $3,400 a day.

Directors of Brazos River Conservation District draw no salaries and after the dams are paid for, all revenue will go to the State. Alluding to the danger of having to submit to the Federal Power Commission demands, Mr. Smith pointed out that in such an event, the Federal Government would retain option to take over the dams after the 50 years by paying the balance due. Since no balance would be due under the bond plan, the dams and property would be confiscated .

Attorney General Daniels has already ruled that the District cannot build the dams if the permit is required and the property reverts to the Federal Government.

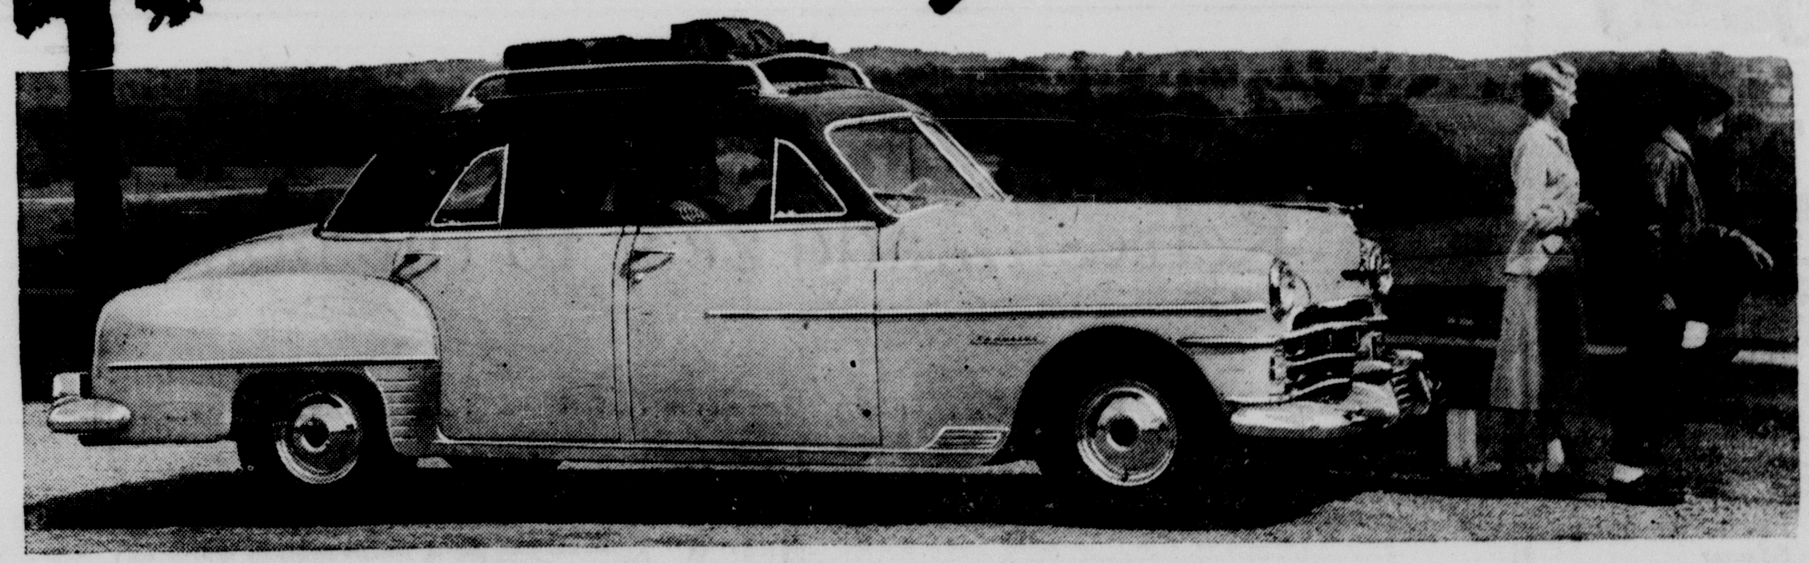
Announcing the Double-Duty CHRYSLER *Traveler*



the smart new sedan that converts in seconds into a sports car or cargo carrier.

Twice as useful as any ordinary car! Use it as a beautiful sedan seating six! Or fold down the hinged back seat and cushion . . . and you have a level deck 6½ feet long. You can sleep on it . . . load all your hunting and fishing gear . . . haul farm implements, fence posts—a thousand and one things no regular car can carry. It's like having two cars in one. Come see how the new Chrysler Traveler makes your dollars do double duty. Take the wheel . . . find out how Chrysler's *built-in value all the way through* is combined with new utility that beats anything on the road today.

See how the rear seat cushion folds forward against the front seat back, and rear seat back turns down to form flat, level-loading platform. Spare tire can be carried in passenger compartment, or in well at right of luggage compartment.

Counter-balanced trunk lid opens easily, and stays open for easy loading. Sturdy luggage rack on roof adds conveniently to the huge carrying capacity of this car. Upholstery is tough plastic that resembles grained alligator hide.

Miss Dorothy Merchant And Gus McLain Are Married Here Sunday

Miss Dorothy Merchant became the bride of Gus McLain in a double ring ceremony at First Presbyterian Church in Cameron Sunday September 10 at 3 P M.

Rev. Hall Cunningham, minister at the Grace Methodist Church of Hearne read the nuptial vows.

Preceeding the ceremony, Max McClaren organist, played softly on the organ "Oh Promise Me", "I Love You Truly," "Indian Love Call," and "The Sweetest Story Ever," and accompanied Miss Shirley Horstmann who sang, "Because." The altar was flanked with baskets of pastel asters.

During the Ceremony Mr. McClaren played softly on the organ, Shumann's "Trameuri".

The bride, given in marriage by her father, Robert A. Merchant of Houston wore a dusty rose velveteen suit with an off-the-face hat with black accessories and carried a bouquet of orchids with satin streamers on a white Bible.

Mrs. Gene Blake, sister of the bride, was matron of honor and wore a blue velveteen suit and a dusty rose hat with black accessories and a gardenia corsage.

Mr. G. W. McLain, father of the groom, served as best man.

Jimmy Pilgreen of Hearne, Bobby Jackson, Joe Wardlow and David McLain were ushers.

Mrs. G. W. McLain, mother of the groom wore a black faille suit and a gardenia corsage with black accessories.

A reception was held at the home of Mr. and Mrs. Gene F. Blake. The brides table was covered with lace cloth centered with a bowl of pastel asters and at one end was the three tiered wedding cake and at other points throughout the house were colorful arrangements of asters.

Mrs. H. C. Pilgreen of Rosharon and Mrs. F. G. Blake of Hearne were at the cake service. Mrs. C. C. Kirkpatrick of Rosharon and Mrs. H. A. Hall of Houston, both sisters of the bride, alternated at the punch service.

Out-of-Town guests for the wedding were: Mr. and Mrs. F. G. Blake of Hearne, Mr. and Mrs. H. C. Pilgreen and Jimmy of Rosharon, Mr. and Mrs. C. C. Kirkpatrick and son of Houston, Robert Merchant of Houston, Mrs. Velma Ross of Temple, Mr. and Mrs. Billy Damico of Houston, Mrs. B. D. Hargrove, Grandmother of the Groom of Temple and Mr. and Mrs. E. E. Walton and Dorothy of Houston, Mrs. Ed Caloway of Temple.

Mrs. Rosa Kemp Adams and sister, Mrs. George Byrom, of Houston, spent several days here the first of this week and left for Houston the last of the week, where Mrs. Byrom will return to her teaching.

Mr. and Mrs. Thompson Kemp, of Dublin, spent several days here with his mother, Mrs. Jeff T. Kemp.

Over The Hump

Pictured above in the left background is Rodeo Director Albert Moore, watching one of his riders perform. This will be Mr. Moore's seventeenth year as director of the Annual Texas Prison Rodeo, to be held at Prison Stadium in Huntsville, Texas, on October 1, 8, 15, 22, and 29th.

Miss Kathleen Curry And Owen Selgelid Married At Minerva

Miss Kathleen Curry, daughter of Mr. and Mrs. Robert Curry of Minerva, became the bride of Owen E. Selgelid, son of Mr. and Mrs. Bert G. Selgelid of Beeville. The ceremony was performed by Rev. P. A. Corkern of Cameron First Baptist Church in a lovely garden wedding at the home of the bride's parents.

White columns with hurricane lamps attached to each with rainbow ribbons formed a romantic pathway from the home to the ivy twined archway in the garden where the vows were exchanged. The arch was flanked with rainbow asters in baskets.

Mrs. George Gilmore of Minerva played the wedding music and accompanied the soloist, Mrs. Lionel Duncan of Huntsville, cousin of the bride, who sang "Because."

The bride, given in marriage by her father, was dressed in a white Swiss imported organdy gown made ballerina style and length. The skirt was full gathered onto a fitted basque and she wore a brief veil of illusion attached to a lace juliet cap and had long white gloves and white linen pumps. Her wedding bouquet was a crescent shaped arrangement of white gardenias.

Mrs. E. C. Gunn of San Marcos was matron of honor and Miss Betsy Ross of Round Rock and Jackie Curry as junior bridesmaid were other attendants, all wearing pink embroidered organdy, ballerina length dresses and carrying baskets of pastel colored asters. Those lighting the candles, Mrs. Robert Taylor of Shiner, Glenna Davis and Connie Eanes of Austin and Beverly Gunn of San Marcos, all wore pastel frocks.

Best man was James E. Beauchamp of Toledo, Texas and the ushers were Clifford Ponton of Austin and George Shinn of Sinton.

Immediately following the wedding, a reception was held in the lovely garden where a refreshment table covered in white held the beautiful decorated wedding cake and the punch bowl, with Mrs. Bill Brademan of Giddings serving the cake and Mrs. Mrs. Kenneth Chapman of Austin presiding at the punch bowl. Mrs. Robert Taylor was at the bride's register. Other friends attending the reception were Mrs. Lee Wallace and Mrs. Dudley McDaniel of Minerva and Miss June Gunn of San Marcos.

After a short honeymoon to Mexico, they will be at home in Boling where the bride is employed as Home Economics teacher at the school there. The groom who served in the U. S. Navy during World War II is a Biology major at SWTTC in San Marcos.

Bridget Nan Michalka Winner In Photo Contest At Studio

Unusual honors have come to Bridget Nan Michalka for she has been declared the winner in a baby photo contest.

Bridget Nan will be given a 11x14 hand painted portrait in oils. She is four years old and the daughter of Mr. and Mrs. Robert Michalka who live on East Hillcrest Street.

Clifford Shelly, manager of the studio said that 20 children had entered th econtest.

Connie Leigh O'Hair, seven month old daughter of Mr. and Mrs. W. W. O'Hair 1005 East 15th Street was runner up in this contest and will receive an 8x10 picture in oils.

Judges in the contest were Mrs. Carl Black, Brs. W. J. Donovan and Mrs. Buddy Wiese.

Bridget Nan, beautiful daughter of the Michalka's is old enough to appreciate the honor she has won and is sharing the lime light with her parents in this unusual photographic triumph.

Mr. and Mrs. Dewey Markum of Temple were guests in the home of Mr. and Mrs. Joe Luce over the week end.

We're getting just like our car. The older we become the more knocking we do.

Miss Adell Pankert And L. J. Mikula Are Married In Houston

The marriage of Miss Adell Pankert, daughter of Mr. and Mrs. Joe F. Pankert of Caldwell to L. J. Mikula, son of Mr. and Mrs. Anton Mikula Sr., of Cameron, was solemnized at 12:00 o'clock Monday, September 4th, high noon at Holy Rosary Church. Rev. A. P. Barrett, O. P., performed the double ring ceremony.

The bride, given away in marriage by her father, wore a gown of chantilly lace and ivory satin with a chapel length train. A crown of satin with seed pearls held her veil of imported illusion, and the bridal bouquet was of white chrysanthemums with white satin streamers.

Mrs. Johnnie Hajdik, sister of the bride, was matron of Honor and Johnnie Hajdik was best man. Michael Mikula was ring bearer and Sherry Jo Hajdik was flower girl. Bridesmaids were Miss Milady Kubena, Miss Leona Balcar of Houston and Miss Tillie Mikula of Cameron. Bill Pankert Toney Salvoto of Houston and George Pankert of Caldwell were groomsmen. Ben Mikula and Ervin Pankert were ushers.

A reception at the House of Weddings followed the Ceremony.

When the couple left for Corpus Christi, the Bride was wearing a beige suit with navy accessories.

The Newlyweds will make their home in Houston where the bride is employed by Magnolia Petroleum Co. and the groom is attending the University of Houston and is now a Senior there.

To The People Of Milam County

I am deeply grateful to the people of Milam County for the splendid vote they gave me in the recent primary election in my race for Lieutenant Governor.

I will always be grateful to the people of Milam County for the confidence they have expressed in me through the years I have served them as State Senator in the 13th District.

It is with a deep feeling of pride that I can point to the heavy vote I received in my own District and in Counties adjoining my District. Naturally I have always felt under deep obligation to the people of Milam County and I have tried to give them every consideration and I will continue to do so.

I want the people of this County to know of my gratitude and to assure them that at all times in the future, I will be found at my post of duty, a champion of every cause in which they are interested.

Sincerely your friend,

KYLE VICK

JOHN C. SOLOMON IS CALLED TO CAMERON

Rev. John C. Solomon, Minister of First Presbyterian Church in Port Lavaca, may soon return to Cameron where he served as Minister at Presbyterian Church for a number of years.

At a congregational meeting on Sunday, Cameron Presbyterians voted to call Mr. Solomon to the local pulpit. The Pulpit Committee made a report to the congregation and revealed that the Mr. Solomon would consider returning to Cameron and the church then voted unanimously to extend the call.

Mr. Solomon is widely known in this area for his work as Minister at the Church and also as a Civic Leader. He was an active member of the Rotary Club and is a past President. Friends here and members of other religious denominations will be glad to have the news that Mr. Solomon is considering returning to Cameron.

It was understood that church leaders were making plans for extensive improvements in the Manse and temporary housing will be arranged if Mr. Solomon accepts the call and there was every confidence that he would return to the Cameron church.

GO TO CHURCH SUNDAY.

HUNTERS PUH-LEASE!
THERE I WAS, SITTING ON A TELEPHONE WIRE, MINDING MY OWN BUSINESS. WHEN ALL AT ONCE A BLAST FROM A SHOTGUN KNOCKED ME RIGHT OFF MY PERCH
WELL, SIR, I CAME OUT PRETTY GOOD — ONLY A FEW TAIL FEATHERS MISSING — BUT THE HUNTER THAT MISSED ME CLIPPED A COUPLE OF TELEPHONE WIRES. ONE WAS MY FAVORITE ROOSTING PLACE, TOO.
THAT "ROOST" WAS ALSO CARRYING AN IMPORTANT LONG DISTANCE CALL. THAT'S WHY WE ASK HUNTERS: PLEASE DON'T SHOOT AT BIRDS ON TELEPHONE WIRES OR POLES. THANK YOU.

MRS. ALICE FRIEMEL IS BURIED AT BEN ARNOLD

Mrs. Alice Friemel, 40, died in a Cameron hospital at 6 P. M. Saturday, September 9th.

Mrs. Friemel was a member of a prominent pioneer family of Ben Arnold. She had been ill for about two years. Her condition became critical late last week. Mrs. Friemel was the victim of leukemia, a blood disease.

She was a native of Milam County and had lived in the Vogelsang community a major portion of her life.

Friends in Cameron were deeply affected by news of her death and she was well known here and her life was an inspiration to many.

Funeral services were held at St. James Evangelical Lutheran Church at Vogelsang at 4 P. M. Sunday, September 10th by Rev. F. C. Anderson, Pastor. Interment was made in the Ben Arnold Cemetery.

Surviving are her husband, Charlie Friemel, one son, Gene of Ben Arnold; her mother, Mrs. Julia Lorenz; her grandmother, Mrs. Augusta Boecher of Brenham; four sisters Mrs. Cecilia Janeck of Burlington, Mrs. Thelma Albright of Texas City, Mrs. Frieda Meyan of Rosenberg and Mrs. Meta Zavrel of Temple.

Pallbearers were: Will Boecker, Raymond Barkenmeyer, Fred Collins, Edwin Pimpler and E. H. Miller.

Humble To Broadcast Southwest Conference Games During 1950

When the whistle blows to open the first game of this year's Southwest Conference season on September 23rd, it will also signal the start of Humble Oil & Refining Company's seventeenth consecutive year of broadcasting the games to Texas radio followers of the sport. This year, at last, the Conference has awarded Humble television as well as radio privileges, but with the special proviso that only sell-out games may be telecast.

Last year's broadcast teams remain virtually intact. Kern Tips, pronounced best in the nation by Texans, heads a staff which includes such well known annoucers as Ves Box, Charlie Jordan and Bill Micheals. It is an interesting fact about all four of these men that none of them depends upon football broadcasting for his livlihood; Tips is an advertising agency principal; Box is a radio station executive; Jordan is vice president of a radio network; and Michaels is manager of a radio station. These jobs keep them in Texas, and their interest in football keeps them on microphones during the football season.

The season's first broadcast, September 23, will find the broadcast crews scattered over four states, covering intersectional tilts at Laramie, Wyoming, Sacramento, California, Lawrence, Kansas and Dallas and Lubbock, Texas.

Mr. and Mrs. John T. Hause visited Mr. and Mrs. Durward Hause in Round Rock the past week end. They attended the commencement exercises of Bracknridge Hospital School of Nursing at University Junior High School auditorium August 31 and the reception held in the garden of the nurses home following the exercises. Miss Sarah Hause, daughter of Mr. and Mrs. Durwood Hause was a member of the graduation class and was Vice President.

DELAY SEEN BECAUSE CITY WORKING SLOW

A new committee on right-of-way for Highway 36 will have to be named because the present committee that reported Tuesday night at the Council meeting, has resigned.

The committee, it was understood, feels that they have done everything possible and the City Council can now take the work in hand since it is a matter of possible court action to force the right-of-way on a few property owners.

Mayor A. N. Green who spends much of his time in the pea patch and garden area near his home, said he would have to take his time to get a new committee since he would have to pick the best men possible.

In the meantime the whole matter is being delayed and will continue to be delayed until the city can take care of this matter, for it is clearly the duty of the city to close these contracts..

The following committee completing the work are: O. B. Horstmann, Dayton McLane, Leo Fuchs and Lester Glass.

Truck Smashes Into Chrysler Sedan At Street Corner Friday

A new Chrysler automobile owned by Mrs. Berniece Lester was badly damaged late Friday when hit by a trailer truck at the corner of East 1st street and north Houston.

Marshall Terry, traffic policeman said the truck was driven by George Holmes, a negro of Waco. In making the turn at the corner the negro misjudged the distance with the result that the truck tore off a fender and wrenched the frame of the car belonging to Mrs. Lester.

Mr. Terry said the negro who was driving a truck for T. D. Iglehardt of Waco who is an instructor in a GI School, agreed to pay damages and since no one was injured no arrest was made.

Sharp Farmer Sells 2 Bales At 40.80 Per Pound; Totals 641.59

Frank Gamble of the Sharp community sold two bales of cotton Thursday to J. E. Flinn, local cotton buyer, for what is believed to be a record price since the spring of 1920 when cotton sold for 42 cents.

Mr. Gamble's two bales weighed 1369, classified as strict middling, was sold for 40.80 per pound and brought a total of $556.05 and the seed brought $85.54 for a total amount of $641.59.

The cotton was ginned by the Will Davis Gin at Sharp.

The Sharp community has some of the best cotton in the county this year and it was reported in some areas of the community a bale to the acre is being produced.

Mr. Flinn reported this morning that strict middling was selling for 41 cents.

Stop that scratching!

Space Hogers Must Stay Away From The Churches Signs Ordered

The parking meters have created a new problem in the city.

Alderman Bob Terry said that he has heard complaints that church women are unable to park at places of worship because car owners fleeing the maw of the parking meters downtown are monopolizing space around the churches just off the mercantile area.

Tuesday night on motion of Alderman Milton Schiller, the city will put up signs. Of course it will require tax money to pay for these signs and nobody is likely to regard them without police enforcement but a fine gesture has been made and it is hoped that the space hoggers will move further away from these areas.

The signs will read "reserved for church business."

Sgt. James A. Cryer Called To Active Duty In Air Corps

Sgt. James A. Cryer, Veteran of World War II in the Army Air Corps has been called up for active duty as a member of the Reserve Corps.

Sgt. Cryer saw active duty on the war front in China, Burma, and India and served 18 months as a radio operator on a transport plane.

Sgt. Cryer is under orders to report to a Texas Disbursement Center for the Air Corps on October 1st and then will be assigned to duty somewhere in the United States, later no doubt going to foreign duty.

Sgt. Cryer is one among a number of Reserve Corps men who have been called up during recent weeks and although he was in combat areas during the late war and is the father of a daughter two years old, he must now report again for duty in the Air Corps.

Sgt. Cryer received his orders early this month. Mrs. Cryer is a former Rockdale girl and they have a daughter Cathy, now two years old.

Miss Bessie Dunham and Mr. and Mrs. Clyde Lawson of Buckholts are vacationing in New Orleans this week.

Mr. and Mrs. Leland Garrison of Sand Grove shopped in Cameron Friday.

Home Administration Farm Loans Are Increasing Here

More than three thousand ownership loans have been insured by the Farm Home Administration throughout the United States since October 1948, it was reported by FHA County Supervisor, Roy M. Wright.

The loans made by banks, insurance campanies and other private lenders in 45 of the 48 states and guaranteed by the federal government, amount to about $22,000,000.

Mr. Wright said enough additional loans have been approved to obligate the government for approximately $30,000,000.

The main objective of the loans is to enable families, unable to get the credit they need elsewhere, to buy, enlarge or develop farms. Special stress is being put on the farm development type of loan, because such credit makes it possible for an owner to improve land or property he already has and make his farm more productive.

The national program is in effect here in Milam County and three such loans have been made to date by local banks, totaling $22,100. Mr. Wright predicted a considerably higher number would be made during the present year because of the growing understanding and appreciation of the program by farmers wanting to enlarge or improve their farms, and also by private credit institutions wanting to invest in the federally-insured mortgages.

Yoe High Classes Elect Officers And Queen Candidates

Class Officers and Class Queen candidates have been elected at Yoe High School and are as follows:

Senior Class: President, Bruce Crook, Vice-president, Albert Burnett, secretary, La Nell Kuehl and reporter, Gloria Jungmann.

Junior Class: President, Bobby Stanislaw, vice-president, Denson Ermis, secretary, Eddie Lankford and reporter Nathan Offield.

Sophomore Class: President Bobby Biskup, vice-president Mary Hensley, secretary, Frances Vogelsang, reporter Albert iMchalka.

Freshmen Class: President Robert Balhorn, vice-president, Billy Allen, secretary, Patsy Michalka and reporter Lynn Lewis.

Senior queen is Margaret Mitchell, Junior queen is Jo Ann Slavik, Sophomore queen is Ann Karonwski and Freshman Queen is Patsy Michalka.

The queen of the class who sells the most activity tickets, football tickets and wins in other school propects will be crowned queen at the annual carnival to be held in the late Fall.

Mr. and Mrs. Ernest Dakel of Baytown were week end guests of Mr. and Mrs. H. L. Dakel here.

High, Wide And Handsome

Action like this can be expected when wild stock and outlaw riders tangle in the 19th Annual Texas Prison Rodeo to be held October 1, 8, 15, 22, 29th, at Prison Stadium in Huntsville, Texas.

OXSHEER SMITH—
(Continued from page one)

is more than twice Temple's greatest daily consumption and that Little River during the dry years does not flow that amount past Cameron.)

"2. 500 housing units for 500 families to cost about $10,000,00 each in addition to the land. Water, sewerage, and other utilities would have to be built. The rent to be guaranteed by the Government. This would need at least 100 acres of land to allow for streets. This could be provided by loans— 90 percent of which would be guaranteed by the Federal government, but local financing would have to raise something like $750,000.00 of its own money to provide for the 10 per cent, plus $250,000.00 for street improvements, water, sewerage, and other requirements to make the property habitable.

"3. The Laboratory must be located at a point easily accessable to Washington, not further than an overnight trip. There was at the time of my visit 278 applications from various cities, many of them elaborate with photographs, etc. Some of them with the housing already built and immediately available, like Providence, Rhode Island, from which Chance-Vought moved to Dallas with his workmen. This city is to be ruled out by reason of being too close to possible bombing areas. The procedure: the committee of six members will meet September 15th in a room 20x30 feet with six desks in it. The committee does not want delegations from cities to make personal appearances in this crowded area. After checking over the 278 or more applications, the number will be reduced to eight or ten. These eight or ten sites will be inspected on the grounds by the committee and a selection made.

"I will be in Washington on September 13th to attend a meeting of the Brazos River Conservation and Reclamation District Board of Directors with the Federal Power Commission, and after checking into the matter further at that time, and if at that time I deem I can gain anything by staying over and appearing before the full Board, I shall do it.

"Congressman Poage, was much interested, gave every assistance. This is Cameron's first experience in trying to get any of the Federal activities located near, and Congressman Poage advised that we keep trying, keep in touch with Washington, and if one in a hundred could be obtained, it would be highly successful."

Milam County 4-H Club Boy To Show Beef Calf At Bartlett Fair

With the coming of cool weather, 4-H club members of Milam County will get into full swing with their calf feeding project, it was reported by J. D. Moore, county agent.

Eugene Angell, son of Mr. and Mrs. C. O. Angell of the Sharp Community, will lead the first Milam County calf out Saturday, September 16, at Bartlett Fair. Eugene and his sisters, Ferol and Faye are feeding 5 calves bred on the Walder Ranch at Lampasas.

Ann Brock, daughter of Mr. and Mrs. Jesse Brock,of Cameron is feeding 2 calves bred by the Monroe Hereford Ranch near Cameron.

Bob and Beverly Garner, son and daughter of Mr. and Mrs. Hicks Garner, are feeding two calves bred on their farm and David Eubanks of Gay Hill Community is feeding a calf bred by the Noack Hereford Ranch near Rockdale. Plans are to show these calves at major shows throughout the state this coming spring.

Mr. and Mrs. Haywood Clemens and young son Leland were guests in the home of H. L. Atkinson over the week end. Mrs. Clemens will be remembered as the former Harriett Atkinson.

Mr. and Mrs. Jack DuBoise and children and Miss Lucy Cheeves visited in San Antonio Sunday.

Milam County 4-H Boys Wins Waco Swine Show

Billie Ray Reddehase, san of Mr. and Mrs. Henry Reddehase, of Ben Arnold, placed his registered Duroc Gilt in the Waco District Swine Show last Saturday, September 9 and placed first in the Contest, it was reported by J. D. Moore, County agent.

Billie Ray's gilt was shown against the best swine in the Sears Program from McLennan, Falls, Bosque and Coryell Counties. He won ten dollars worth of merchandise at the recent Milam County Swine Show and the District Show paid him $40 in merchandise along with the blue ribbon.

He plans to show the gilt at the Cen-Tex Fair next week at Temple, along with other Milam County farm youths who will display their projects.

Council Cancels Scheduled Meeting Tuesday Night

There was no adequate explanation Wednesday of the failure of the City Council to meet as scheduled on Tuesday night.

The council was scheduled to enact a new electric code. The meeting was called off, according to L. Van Perkins, who said there was some question in the minds of the members of the council whether legislation could be legally enacted at an adjourned meeting so far removed from the regular session on September 5.

Roy Baskin, city attorney and a good lawyer said it would have been entirely legal to have transacted business Tuesday night because the council may adjourn from time to time, without limitation, and enact ordinances pending.

Joe N. Luce of San Angelo has returned to his home after visiting in the home of his son, Mr. and Mrs. Joe Luce here a few days the past week.

Mrs. Ed Black of Hanover was a visitor here Monday of this week.

Miss Lynn Wells Is Named Band Mascot

Little Miss Lynn Wells, daughter of Mr. and Mrs. Robert Wells was named "Mascot" for the year 1950-1951 in an election held on Tuesday September 12.

Miss Wells will make her first appearance with the band in the near future.

"Mirror, mirror, on the wall"....

"Have I been fair on every call?

"Have I been giving people enough time to answer the telephone?

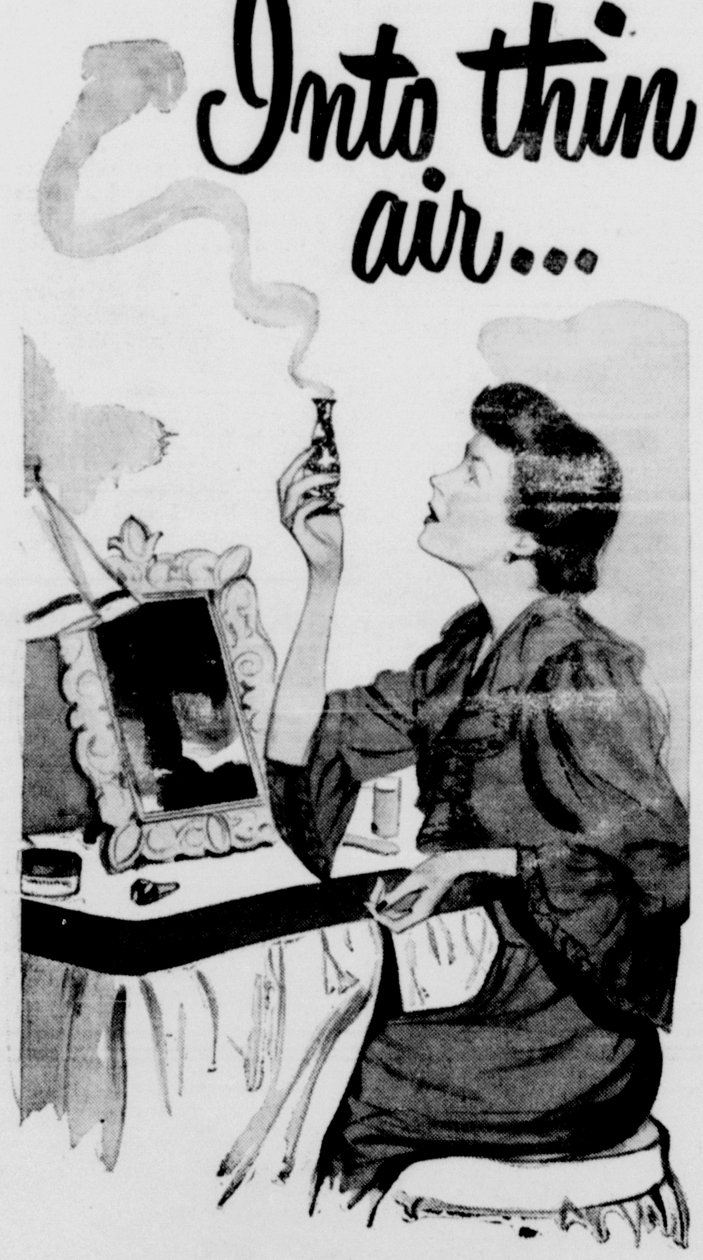
"I used to figure there was no one at home if I didn't get an answer after two or three rings. But yesterday I missed reaching mother. She was working in her garden when she heard the telephone ring, and told me later there was no one on the line when she answered.

"Now I wonder how many other times I've hung up too soon . . . how many other calls I've lost. Guess it does pay to wait a little longer."

Right, Mrs. Housewife. The best plan is to let the telephone you're calling ring *one minute* before giving up. That gives your friends time to answer.

SOUTHWESTERN BELL TELEPHONE CO.

Into thin air...



As any woman knows, even the best perfume will evaporate into thin air if the stopper isn't replaced properly.

It's the same way with money. On payday, you feel so wonderfully wealthy — but suddenly, if you don't watch out, your cash seems to be vanishing into thin air.

There's one good way to put a stopper on money-evaporation. All you do is sign up for the Payroll Savings Plan where you work (or if you work for yourself, join the Bond-A-Month Plan at your bank) and a certain amount is deducted automatically from your salary.

It's painless — you'll never miss the money. It's safe—you've got Uncle Sam backing up your investment. It's profitable—$4 for every $3 after ten years.

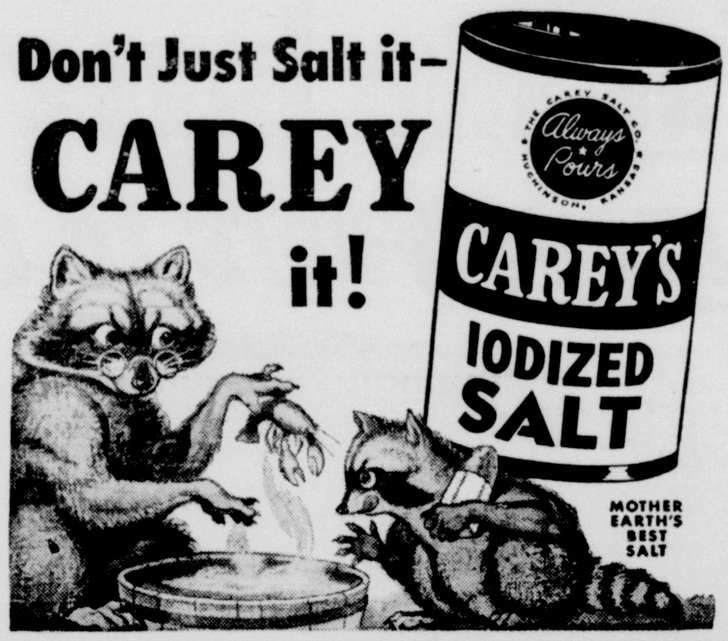
And what a happy feeling to know that a part of your salary is tucked away for the future!

Automatic saving is sure saving— U.S. Savings Bonds

The Cameron Herald

This is an official U. S. Treasury advertisement— prepared under auspices of Treasury Department and Advertising Council.

Don't Just Salt it— CAREY it!

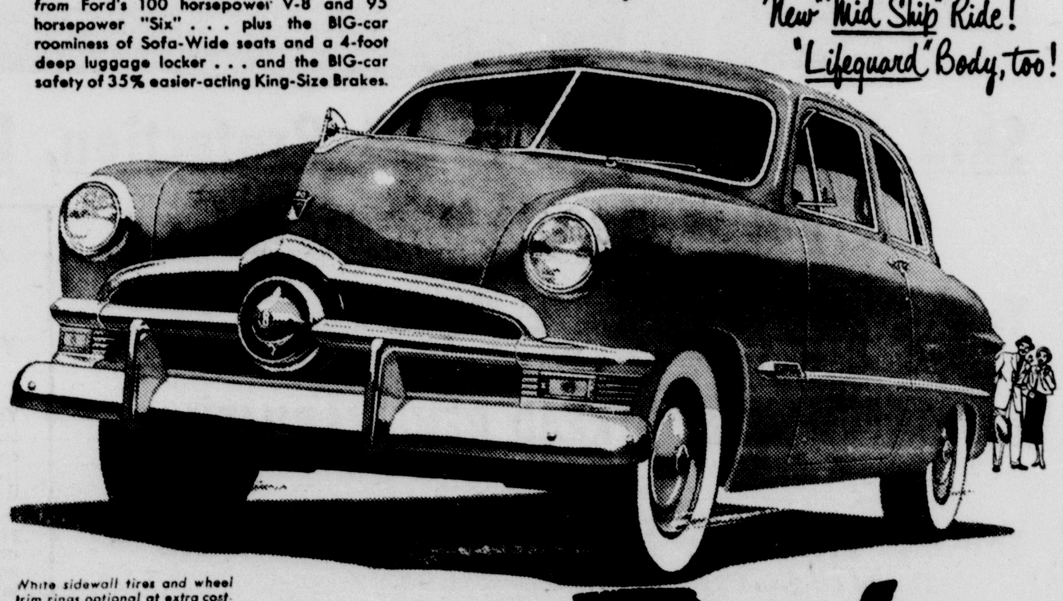


Own Mr. BIG!

(BIG IN ALL BUT COST)

Everything but the price tag says Ford's Mr. BIG! You get BIG-car power and quiet from Ford's 100 horsepower V-8 and 95 horsepower "Six" . . . plus the BIG-car roominess of Sofa-Wide seats and a 4-foot deep luggage locker . . . and the BIG-car safety of 35% easier-acting King-Size Brakes.

Your choice of V-8 or "Six"! New "Mid Ship" Ride! "Lifeguard" Body, too!



White sidewall tires and wheel trim rings optional at extra cost.

There's all this BIG-car comfort and quiet—yet you save all the way. You save on first cost. You save on upkeep. And, with features like Ford's rugged "Lifeguard" Body stretching the car's life, Ford brings you more in resale value, too!

COME IN AND "Test Drive" A Ford

There's a Ford in your future ...with a future built in
